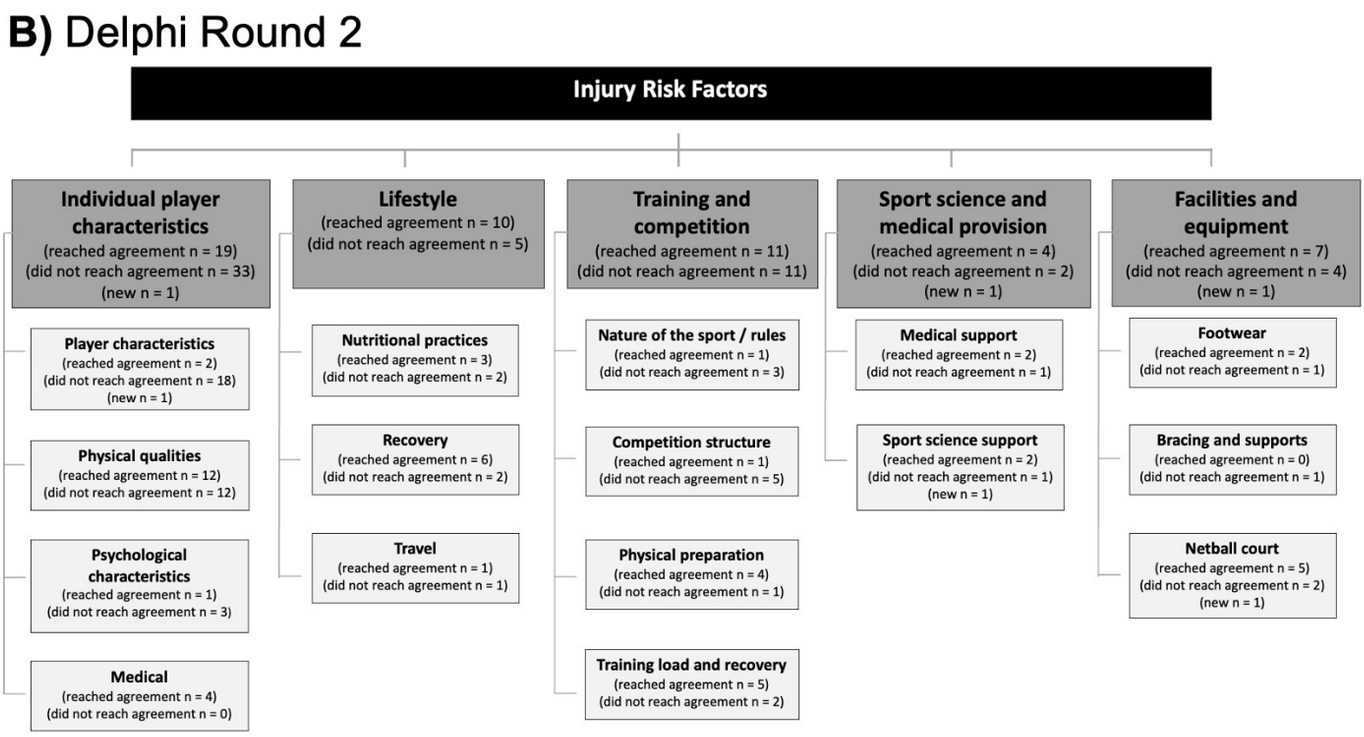
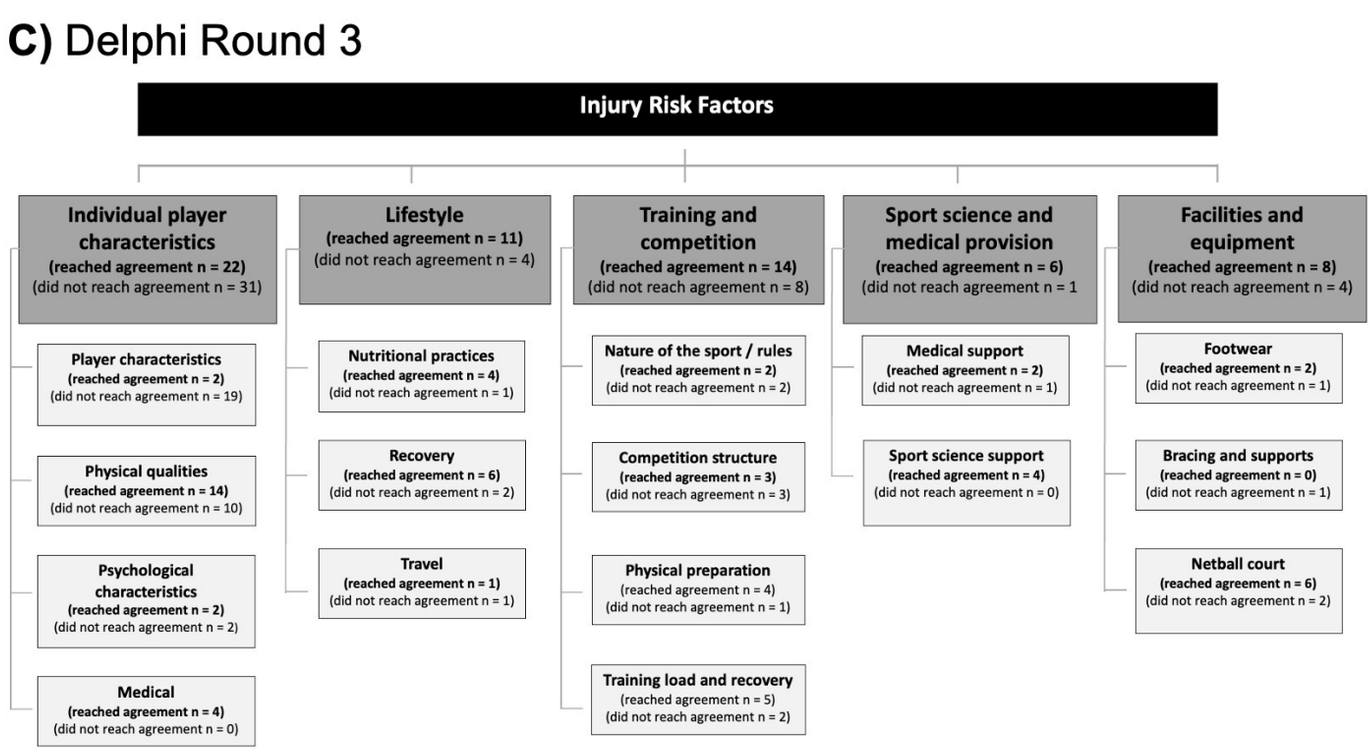
A) Delphi Round 1
Injury Risk Factors
Individual player characteristics (n = 52)
Player characteristics (n = 20)
Physical qualities (n = 24)
Psychological characteristics (n = 4)
Medical (n = 4)
Lifestyle (n = 15)
Nutritional practices (n = 5)
Recovery (n = 8)
Travel (n =2)
Training and competition (n = 22)
Nature of the sport / rules (n = 4)
Competition structure (n = 6)
Physical preparation (n = 5)
Training load and recovery (n = 7)
Sport science and medical provision (n = 6)
Medical support (n = 3)
Sport science support (n = 3)
Facilities and equipment (n = 11)
Footwear (n =3)
Bracing and supports (n = 1)
Netball court (n = 7)



B) Delphi Round 2
Injury Risk Factors
Individual player characteristics (reached agreement n = 19) (did not reach agreement n = 33) (new n = 1)
Player characteristics (reached agreement n = 2) (did not reach agreement n = 18) (new n = 1)
Physical qualities (reached agreement n = 12) (did not reach agreement n = 12)
Psychological characteristics (reached agreement n = 1) (did not reach agreement n = 3)
Medical (reached agreement n = 4) (did not reach agreement n = 0)
Lifestyle (reached agreement n = 10) (did not reach agreement n = 5)
Nutritional practices (reached agreement n = 3) (did not reach agreement n = 2)
Recovery (reached agreement n = 6) (did not reach agreement n = 2)
Travel (reached agreement n = 1) (did not reach agreement n = 1)
Training and competition (reached agreement n = 11) (did not reach agreement n = 11)
Nature of the sport / rules (reached agreement n = 1) (did not reach agreement n = 3)
Competition structure (reached agreement n = 1) (did not reach agreement n = 5)
Physical preparation (reached agreement n = 4) (did not reach agreement n = 1)
Training load and recovery (reached agreement n = 5) (did not reach agreement n = 2)
Sport science and medical provision (reached agreement n = 4) (did not reach agreement n = 2) (new n = 1)
Medical support (reached agreement n = 2) (did not reach agreement n = 1)
Sport science support (reached agreement n = 2) (did not reach agreement n = 1) (new n = 1)
Facilities and equipment (reached agreement n = 7) (did not reach agreement n = 4) (new n = 1)
Footwear (reached agreement n = 2) (did not reach agreement n = 1)
Bracing and supports (reached agreement n = 0) (did not reach agreement n = 1)
Netball court (reached agreement n = 5) (did not reach agreement n = 2) (new n = 1)



C) Delphi Round 3
Injury Risk Factors
Individual player characteristics (reached agreement n = 22) (did not reach agreement n = 31)
Player characteristics (reached agreement n = 2) (did not reach agreement n = 19)
Physical qualities (reached agreement n = 14) (did not reach agreement n = 10)
Psychological characteristics (reached agreement n = 2) (did not reach agreement n = 2)
Medical (reached agreement n = 4) (did not reach agreement n = 0)
Lifestyle (reached agreement n = 11) (did not reach agreement n = 4)
Nutritional practices (reached agreement n = 4) (did not reach agreement n = 1)
Recovery (reached agreement n = 6) (did not reach agreement n = 2)
Travel (reached agreement n = 1) (did not reach agreement n = 1)
Training and competition (reached agreement n = 14) (did not reach agreement n = 8)
Nature of the sport / rules (reached agreement n = 2) (did not reach agreement n = 2)
Competition structure (reached agreement n = 3) (did not reach agreement n = 3)
Physical preparation (reached agreement n = 4) (did not reach agreement n = 1)
Training load and recovery (reached agreement n = 5) (did not reach agreement n = 2)
Sport science and medical provision (reached agreement n = 6) (did not reach agreement n = 1
Medical support (reached agreement n = 2) (did not reach agreement n = 1)
Sport science support (reached agreement n = 4) (did not reach agreement n = 0)
Facilities and equipment (reached agreement n = 8) (did not reach agreement n = 4)
Footwear (reached agreement n = 2) (did not reach agreement n = 1)
Bracing and supports (reached agreement n = 0) (did not reach agreement n = 1)
Netball court (reached agreement n = 6) (did not reach agreement n = 2)
