CAPE OF GOOD HOPE HAND-BOOK,
BY A. WILMOT,

*Containing full Historical, Descriptive, and Statistical Account of the
Colony; with Notices of the Native Tribes, &c*

AN APPENDIX WITH LARGE COLOURED MAP.

It contains within a readable compass fuller and more connected information about the Cape than any other work I have yet met with. It is an admirable Hand-book, and its perusal is alone sufficient to make a person tolerably familiar with the prominent features of interest in connection with the Colony.—*Journal.*

The Author has excellent powers of description, and the still rarer power of condensing and presenting in few words what is necessary to be made known. The Geology of the Country, the Native Tribes, and the Adjacent Territories have distinct chapters allotted to them, whilst the work winds up with some of the most racy sketches of Dutch life and character.—*The Cape and Natal News*

Price 1s.—Second Edition.

Outlines of the Geography of South Africa,

TO WHICH IS APPENDED

QUESTIONS ON THE PRINCIPAL EVENTS OF CAPE HISTORY,

BY A. WILMOT.

J. C. JUTA, Cape Town, and all Booksellers.

Mr. Wilmot's object has been to prepare a work suitable for the youth in our Colonial Schools, and we think he has succeeded in doing so. It will supply a desideratum that has long been felt.—*E. P. Herald*.

It gives in a succinct but clear manner an account of the present Physical, Political, and Historical Condition of the Twelve Great Divisions in which the Southern Portion of the Continent of South Africa is divided. We would recommend the Outlines as a useful help in imparting to our Colonial Youth, in a simple, practical manner, the knowledge of Local Geography.—*P. E. Telegraph and Standard*.

This is a valuable work.—*Great Eastern*.

A useful little Class Book for Schools.—*G. T. Journal*.

The extreme simplicity of its arrangement will render it invaluable as a School Book, but it will be found equally serviceable as a Hand-book for Travellers, or a Book of Reference for Politicians, Statisticians, and, in fact, any person who desires a general acquaintance with this part of the world. A Second Edition of 8,000 is now in the hands of W. & R. Chambers.—*Vitenhage Times*.

It contains a good deal of information in detail, which even Colonists who have passed life's noon will read with interest and profit. We notice, as something remarkable, that the Dutch names of places and persons are correctly spelt.—*Graaff-Reinet Advertiser*.

This Treatise is to be highly recommended. The Questions for Examination at the end of each chapter are quite in accordance with the Modern System of School Education.—*Fort Beaufort Advocate*.

NOW PREPARING FOR PUBLICATION.

HISTORY OF THE CAPE COLONY,

WITH AN APPENDIX.

N.B.—The valuable assistance of several gentlemen has been obtained, and the Appendix will contain interesting reminiscences connected with this Colony during the last fifty years, as well as other documents of value. All information connected with the History of the Colony, and letters for publication in the Appendix, will be received with pleasure by Mr. WILMOT, Port Elizabeth.

Accumulated Fund upwards of... £1,000,000

Annual Income over 700,000

FIRE INSURANCES AT MODERATE RATES.

LIFE INSURANCES GRANTED.

1st. For Short Periods, or Life. Premiums payable Annually or Half-yearly.

2nd. By Payment of Ten Years' Premiums, the amount Insured being payable at Death, whether before or after the expiration of the Ten Years.

3rd. By Payment of Premiums to the Ages of 45, 50, 55, or 60 Years, the Assurance being paid at those Ages, or sooner, in the event of Death.

4th. Survivorship Assurances.

5th. Survivor of Two Lives—and various other Forms of Life Insurance.

IMPORTANT NOTICE.

It was resolved at the last Annual Meeting, that three-fourths of the Profits of the Life Branch should in future be given to Life Insurers, instead of, as hitherto, two-thirds only. This liberality on the part of the Company has given an immense impetus to its Life Business.

Tables of Rates and further information may be had by application to
