Wednesday
[No Krap]

Pleasant day.

Warm, sunny, day. Same food and pill routine as yesterday except 2 smaller in place of one of P.O. pill doses in hand playing up. Lay pretty flat all day ready to finally "Way of all Flesh". Stood up from 12 to 1 at St Paul's and read three last "stars" brought by Margaret + take Callips. Bed felt it a good bit + became quite sore. Oh how day had a very pleasant + peaceful. Wind came up from about 7 pm on.

17.6.65
Thursday

[Enema Krap]

Overcast, windy morning. Tried to start Josee Carey's - "Hans made a bit too good in the shed some years ago - (not my Cat of burlesque!!)" Went through all Marguerite's + Marianne's numerous letters to date + made notes on points to be answered. Finished draft of Marguerite's letters. Oh how's usual food and pill routine plus 2 smaller. Went through the Enema at midday - (12 pm - 1.45 pm) Started reading process of shaving part and then Enema. Started reading Grober's (Methuen) Indo China. Left at about 10.30 pm.

18.6.65
Friday

[No Krap]

Overcast, windy + bitter all day. Door closed and ill face on all day. Usual food + pill routine. Got into chronicle order the rest of my Overseas (1961/62) slides (Cassette 31 - 44) and looked at in view of those up to end of Angkor Wat - Hanoi. Also read Indo-China - Back defeated unknown but head still plays up and 'heart beat' (nervous) in my ear became more noticeable + continuous. Left at about 10.11 pm.

19/6/65
Saturday

[Small hard Krap]

Clear + chilly morning. T. J. L. turned up about 9.40. With Wed, Thurs + Fri Stars (+ Fri. Pte Vain) and mail plus rain of Dunbar + Wets. Usual food + pill routine all day. Actually had Krap at 1.30 pm of only 3 hard bits about 1" diam x 1 1/2" long but felt pleasant after. Back obviously now very much better. Read 'Indo China' looked at rest of my slides (64/62) ~~Indo China~~ Bangkok, Peking, Rome, England, Kenya + S. Rhodesia in air. Read 'Indo China' and selected S. Sitwell's "Red Chapel of Banteng, Siam". Had 'eyes' (very shiny!!) + heart beat still a background accompaniment. To bed out about 1 am after packing away slides + newspaper Callips + etc. (Had stood up at 1.30 pm to test back. It stood up properly + took Callips drug afternoon to test back. It stood up well). Kathy's letter + Marianne had turned up about 5 pm.

20.6.65
Sunday

[No Krap]

Clear, warmer, morning. Usual food + pill routine all day. Wrote up this diary since Thursday 11 - 11.30. Now started Marguerite's letters and (5 pages) finished it. Read S. Sitwell's "Red Chapel of Banteng, Siam" in between. Note of particular moment. Bed feels much better. To sleep 11 pm.

To Kearney's
breakfast spend

Warm sunny morning. up at 8.15 am. Fed fowls +
animals + had HBB Bupfl. Rostus had not turned up by
9.30 - so walked out to write to him and (as I thought)
he slunk out from Mrs Fleming's direction no doubt as a result
of the visit of her dogs yesterday particularly the goat + boxer bitch!!
Wrote this. Wrote letter to Mrs Fleming for yesterday worked in my library
and off to Brookline for Saturday dinner with Kearneys as invited
Also used Kearneys + Bokke Str. Breakfast spend at 11.45 + parked car under
some trees of Tenthredine for shade + cigarette for day. Dinner with Kearneys
set on pond bank in Sun. Had tea + breakfast 4.30 - 5 then left on
return quite home (72 miles there and back) at 6 pm to take Martin + Vicky
back but they had sleep. Car removed by 6.45 pm. C&A + Hot
Veg + grille dinner. (Had had 24" Krap by 11 am after) a 24" Krap.
