

# EMBEDDED LIBRARIAN

## THE BLENDED HAT OF EMBEDDED LIBRARIANSHIP

Susan Scheepers  
Health Sciences Library  
University of Pretoria  
October 2012

***Embedded librarianship*** connects librarians  
to their communities more closely than ever before.

It gives us the chance to do more  
and become more valuable than ever.

David Shumaker

# The magician's embedded hat

Embedded in information literacy training

*differs from*

Embedded in research process activities

*differs from*

Embedded in Communities of Practice (COP's)
