

LEEUBRUG GATEWAY

an exhibition and convention centre

The world is currently experiencing an economical and environmental crisis. Innovative thinkers are now more than ever our hope for a brighter future.

The goal of this study is to establish an Exhibition and Conference Centre in Pretoria. The centre should educate its users about the potential opportunities of creative and innovative thinking.

LEEUBRUG GATEWAY

an exhibition and convention centre

By MJ van Rooyen

Mentor: Marga Viljoen

Course Co-ordinator: Jacques Laubscher

Submitted in partial fulfilment of the requirements for the degree Magister in Architecture (Professional) in the Faculty of Engineering, Built Environment and Information Technology, University of Pretoria, 2009

LEEUBRUG GATEWAY

an exhibition and convention centre

The Proposed Tshwane Exhibition and Conference Centre is situated on the c/o Nelson Mandela Boulevard and Church Street, Arcadia, Pretoria, and falls under the research field of Housing and Urban Environments
