# ANNEXURES

# THE RELATIONSHIP BETWEEN TOTAL QUALITY MANAGEMENT AND SCHOOL IMPROVEMENT

# ANNEXURE A UESTIONNAIRE FOR EDUCATORS

Please complete the following questionnaire as objectively as possible. The objective of the questionnaire is to conduct a survey on the situation of the culture of learning, teaching and services prevailing at your school. In addition, it is to explore the implications of Total Quality Management principles for schools. Your analytical and objective response will go a long way in contributing valuable solutions to the continuous improvement of the culture of leaning, teaching and services at schools.

#### Instructions for the Completion of the Questionnaires

- 1. Do not write your name.
- 2. Your co operation in answering all questions honestly, objectively and to the best of your ability is greatly appreciated.
- 3. The questionnaire is anonymous and information will only be used for the development of strategies that could be employed for the implementation of Total Quality Management in schools
- 4. Mark with an "x" in the appropriate block to indicate your choice
- 5. The column on the right is for office use only
- 6. Thank for your co operation

#### SEMI-STRUCTERED INTERVIEW FOR PRINCIPALS

Please respond to the following questions as objectively as possible. The objective of the interview is to conduct a survey on the situation of the culture of learning, teaching and services prevailing at your school. In addition, it is to explore the implications of Total Quality Management principles for schools. Your analytical and objective response will go a long way in contributing valuable solutions to the culture of leaning, teaching, teaching and services (Colts) at schools.

#### SECTION A: BIOGRAPHICAL DATA AND EXPERIENCE

- 1. How long have you been an educator?
- 2. How long have you been in this school?
- 3. How long have you been a principal?
- 4. How long have you been the principal in this school?
- 5. What is your highest qualification?
- 6. Do you have a management qualification?

7. If Yes, which one?

#### SECTION B: QUESTIONS ON THE PREVAILING OF THE CULTURE OF LEARNING, TEACHING AND SERVICES (Colts) IN YOUR SCHOOL

8. What do you understand by the Culture of Learning, Teaching and Services?

9. Which character traits of positive Colts prevail at your school?

10. What do you do to promote, inspire and support positive Colts in your school?

11. How do your educators inspire, promote and support positive Colts in your school?

\_\_\_\_\_

12. What do learners do to promote and support positive Colts?

13. How do parents inspire, support and promote positive Colts at your school?

14. Which efforts is your school making to continuously improve Colts?

#### University of Pretoria etd - Rampa, S H (2005)

15. What are the issues that influence Colts negatively at your school?

#### SECTION C: TOTAL QUALITY MANAGEMENT

16. To what extent in percentages are the following principles evident in your school?

Learners are the most important customers	
The principal establishes unity and consistent interactions among all the role	
players like parents, educators and learners	
The principal gives role players direction	
Role players participate in decision making	
Role players are involved in the school's processes to achieve the desired	
goals	
The principal effectively communicates and defines the integrated school's	
processes to achieve the goals	
Our school is always striving for continuous improvement	
There is mutual relationship among the role players and this benefits the	
school's increased morale	
Role players are empowered to take charge of their allocated tasks	
Role players work well in teams with one another	
Other principles evident at your school are:	

#### 17. To what extent in percentages are the following points adding value in your school?

The principal strives to be effectively consistent with his/her management	
function	
Adapting to new changes	
Services rendered are improved consistently	
There is effective training and development	
There is evidence of quality leadership	
There is no fear towards continuous change and transformation	
The principal strives to eliminate barriers for role players to work efficiently	
and effectively	
Other issues adding value are:	

18. To what extent in percentages do you agree with the following TQM principles in terms of continuous improvement of Colts.

The principal's vision directs the set goals	
The vision guides school's strategies	
Role players are empowered to actively participate in decision making	
processes	
Effective and constant communication motivate role players	
Positive attitudes of all role players improve the culture and Colts	
Identified abilities from role players are complementary and add value	
towards continuous improvement of Colts	
Educators need to understand basic management principles to improve their	
teaching and management of learners	
Effective teams ensure commitment of role players	
Other principles for continuous improvement of Colts are:	

19. To what extent in percentages do you agree that the following elements of quality of work life motivate educators at your school?

m,

Safe and healthy environments	
Job security and continued growth	
Feeling belonging into the culture of the school	
Feeling responsible for own actions	
Climate of respect, cooperation and trust	
Recognition as contributor in decision processes	
Decent physical working conditions	
Fair labour practice like treated with respect and dignity	
Satisfaction with work achievement	
Other elements are:	

\_\_\_\_\_

#### 20. Which factors cause resistance to change in your school?

21. How does your school overcome resistance to change?

22. To what extent do you agree that the following are indicators how TQM can be implemented at your school.

Translating vision into action	
Guiding actions and the processes towards the vision and mission	
Building ownership through participative processes	
Implementing strategies for culture change	
Guiding and adopting school philosophy	
Establishing school's co – operative image	
Inspiring, promoting and supporting the school's pride and passion	
Inspiring, promoting and supporting the recognition for all role players	
Defining and detailing objective needs for school's uniqueness	
TQM principles integral of managing school's change processes	
Driving quality culture change towards continuous improved Colts	
Establishing good relationships and team work among role players	
Inspiring, promoting and supporting work ethics and high morale	
Adopting and adapting the TQM model as framework for school	
Other indicators are:	

**Benchmarking**: Means continuous and systematic processes for evaluating best results already achieved by another school. Included are the services and processes of other schools that are recognised as representing best practices.

23. How can your school – in percentage - mutually benefit from benchmarking processes the best practices of achieving best results through comparing your school with others and also with positive model schools?

	1	
By accelerating the pace of culture change		
By saving time for the processes of culture change		
Through saving energies needed for change processes		
By changing culture quickly for the continuous improvement of Colts		
Through setting goals that have been achieved by model schools		
Culture change can be achieved by emulating positive model schools		
By looking at other schools with similar problems and surpassing them		
By striving for continuous improvement like those model schools		
By improving Colts through identifying and emulating best practices from		
model schools and surpassing them.		
Other benefits are:

ANNEXURE F

# THE RELATIONSHIP BETWEEN TOTAL QUALITY MANAGEMENT AND SCHOOL IMPROVEMENT

### SEMI-STRUCTURED INTERVIEW CODES FOR PRINCIPALS

#### 1. Theme: The understanding of the concept Colts

Standard definition of the concept Colts have to be available to measure opinions and understanding of this concept against that definition. From the definition, a deduction should be made if the concept is well understood or not

#### 2. Theme: Positive character traits of Colts

Sub – themes:

- Teamwork, communication and total commitment in teaching and learning processes
- \*. Constant planning during meetings
- \*. Organising favourable learning environments
  - Offering extra classes, guidance and counselling of learners
- \*. Motivation, co operation and good conduct
- \*. Correcting deviations and being proactive
  - Regular class attendance and punctuality
- \*. Following time frames set as per objectives
- \*. Learners in class and educators attending to them

#### 3. Theme: Roles in promoting, inspiring an supporting Colts

#### 3.1 Sub – themes: Principal's role

- \*.Role modelling
- \*.Setting of objectives and assisting in their achievements
- \*.Creating a safe and healthy environment conducive to learning
- \*.Professional development

- \*.Encourage active participation for all
- \*.Effective planning
- \*. Solicit and organise financial assistance
- \*. Encourage codes of conduct
- \*.Punctuality

#### 3.2 Sub - theme: Educator's role

- \*.Role modelling
- \*.Commitment
- \*.Motivation of learners
- \*.Recognition of learners incentives
- \*.Setting rules
- \*.Organise extra classes
- \*.Punctuality

### 3.3 Sub – theme: Learner's role

- \*.Punctuality
- \*.Codes of conduct
- \*.Co operation in classes
- \*.Visitation to and from other schools

## 3.4 Sub - theme: Parent's role

- \*.Participation in school activities
- \*.Volunteering in schools functions
- \*.Financial commitment
- \*.Addressing issues of school governance

# NB. Note negative aspects and bring them out when interpreting and discussing findings

## 4. Theme: Efforts for continuous improvement of Colts

Sub – themes:

- Involvement in school activities
- \*.Competitions like Maths Olympiads, public speaking and debates
- \*. Projects like adopt a class for team building purposes

- Workshops
- \*. Parenting and school functions
- \*. Team building
- \*. Skills development
- Conceptualisation of Colts
- \*. Enlisting services of external expertise
- \*. Supporting achievement of leaner activities
- \*. Plans to anticipate problems

Note: See asterisks for possible quotations and highlights for negative findings which need to come out strongly in discussion of results.

## 5. Theme: Negative issues influencing Colts

Sub – themes:

- Late coming and absenteeism
- \*. Learners and educators
- \*. Failure on the side of parents to attend meetings
- Lack of commitment
- \*. Truancy
- \*. Failure to do homework
- \*. Laziness
- \*. Lack of interest in learner's work by parents
- Lack of team work
- \*. SMTs and SGBs
- \*. Illiteracy of parents
- \*. Unhealthy competitions among educators

Note: Statistical information/data to cite when discussing findings

## 6. Theme: Factors causing resistance to change

Sub – themes:

• Fear

- \*. Uncertainty about change
- \*. Implementation of new curriculum/OBET
- \*. Insecurity about change
- Perceptions about change
- \*. Wrong perceptions
- \*. Possible redeployment and retrenchments
- Lack of adequate information
- \*. Lack of understanding the change
- \*. New policies not well interpreted
- Loss of status and privileges
- \*. Defiance of educators who worked too long at a particular school
- \*. Protecting comfort zones
- Defiance
- \*. Aggression
- \*. Negative attitudes

#### 7. Overcoming resistance to change

Sub – themes:

- Information sharing
- \*. Meetings
- \*. Communication
- \*. Negotiations
- Workshops
- External services for change
- Enforcing change gradually
