APPENDIX TWO

Appendix Two

Republic of Mozambique

Rural Household Survey Questionnaire

The Role of Non-farm Sources of Income in Rural Poverty Alleviation in the Boane District of Mozambique

1. General Data

Date _____ Form No _____ out of _____

Locality _____ Name of the village _____

1.1 Household Data

a) Name of the head of the household (optional): _____

Age _____ Male _____

b) Total number of people in the household: _____

c) Number of children: _____ How many in school _____

d) How many people are absent: _____ How are they related to you? _____, _____, _____

e) Where are they? _____

(Maputo City, South Africa, Swaziland, somewhere else please specify)

f) Are there any elderly in the family? Yes _____ No _____ How many? _____

g) Are there any handicapped in the family ? Yes _____ No _____ How many? _____ . If any are elderly or handicapped, do they receive any assistance from Government or any other institutions such as NGOs? Which type?

Type of assistance	Amount	Indicate below if in kind
Monthly Pension		
Health insurance		
Education grant		
Other- Specify		

h) Is there any other member of the household whom you have forgotten to include in this interview? No ___ Yes ____ . Indicate his/her main activity.

i) Do you have any other information that you would like to provide about the household? Yes ___ No ___ If yes, please indicate which one?

2. Household Occupation

a) How many members in the household have a regular income:

b) Who are they? _____

(sobrinho,tio, pai, mãe, chefe da familia etc)

Employer	Indicate with X
Commercial farm	
Agricultural cooperative	
Railway station	
Hospital	
School	
Trading	
Mines in South Africa	
Swaziland	
Shoe repairs	

manufacture ofbrakes	
Metal work	
Sawing	
Textile industry	

c) What are the main household activities?

Type of activity **Indicate with X**

Farming	
Crop Production	
Animal husbandry	
Small Enterprises	
Charcoal production	
Production of bricks	
Beer manufacturing	
Other activities - specify	

d) Apart from these activities does the family earn additional incomes?

I. Pension from government as demobilized soldiers? _____ monthly amount? _____

II. A handicap and elderly pension _____ Monthly amount? _____

III. Remittances from household members in Maputo, South Africa. _____ .
Regular? _____ How much per month? _____

IV. Temporary labor: _____

V. Tourist guiding: _____

VI. Other? Specify:

3. Information Concerning Agricultural Activities of the Household

a) How many plots does the household possess? _____

b) What is the total cultivated area? _____

c) What are the main crops? _____

Main crops	Yield (bags, kg.) specify the Unit of measurement	Did you have any stock for sale (different from the amount for subsistence) ?

c) Do you have any irrigation systems? Yes ____ No ____

d) Do you use any inputs?

Do you know the commercial names? If yes which ones?

Commercial name of the products used	Quantity	Cost

e) Are the products bought locally? Yes ____ No ____ If yes, where?

4. Household Expenditures.

a) What are the main household expenditures

Type de expenditures/ Type of expenditure

Comments:

c) Where does the household buy the foodstuff? _____

d) Indicate the main food products purchased by the family. Please indicate the quantities wherever possible

Name of the product	Quantity per month	Unit Price
Food		
Rice		
Maize		
Cooking oil		
Salt		
Sugar		
Tea		
Milk		
Meat (Fish and other)		
Maize mill grinding		
Hygiene products		
Soap		
Water		
Firewood/Charcoal/Gas		
Other		
Energy (electricity)		
Clothes		
Transport
