November 2007

The document submitted is a part of the requirements for the degree of Masters in Architecture

(Professional)

MArch (prof)

in the Faculty of Engineering, Building Environment and

Information Technology

In memory of my eldest brother **Celso Jafete Timóteo Mavimbe**

29/11/66 - 24/08/07

May rest in peace

Special thanks to my parents, Eng. Xavier Timóteo Dumande and Ilda Carlos Pedro, for their support and encouragement in the realisation of this project.

To my friends and colleagues, Renato Ronda, Bruno Darsam, Yuno Simão, Themba Thomo, Robert Rich, Siyanga Sowazi, Lara Wilson and Grietjie Lubbe for their assistance during the process of the project.

Thanks to my mentor Prof. Roger Fisher for his attention and valuable criticism. Dr. Amira Osman, Prof. Piet Vosloo and Philippa Tumubweinee.
