Introduction

1.1	Background		
1.2	Brief development		
1.3	Project background		
1.4	The site		
1.5	Design Problems		
1.6	Design positives		
17	Clients		

- Non-place based actors
- Place based actors.

Pedestrian traffic

Locality and context analysis

2.1	Pretoria	
2.2	Locality of Marabastad	
2.3	Figure ground study	
2.4	Site analysis	
2.5	Location and accessibility and site use	
2.6	Context analysis	
	i. Physical dislocation	
	ii. Social dislocation	
2.7	History of the site	
2.8	Existing fabric	
2.9	Asiastic bazaar precinct	
2.10	Belle Ombre station precinct	
2.11	Natural environment	
	i. Slope	
	ii. Climate	
	iii. Wind

3.1 Herb traders market [Durban] omm design workshop Architects Somkele, Research centre [Durban] East Coast Architects The farraday Market [Johannesburg] Albonico & Sack+mma Architects

Design investigation

4.1	Design concept		
	 Designing within the urban landscape. 		
	ii. Urban generation.		
	iii. Structural relationship pursued within the urban landscape.		
	iv. Creating continuity in the urban landscape.		
	v. Public space		
4.2	Site use.		
4.3	Design development concept		
4.4	Design investigation		
	i. Design philosophy_the idea		
4.5	Building use/ accommodation scedule		
4.6	Final design		

5.2

24-25

26

20-21
