

VOORTREKKER MEMORIAL

APPEAL BY THE T.T.A.

The president of the Transvaal Teachers' Association has issued an appeal to all English-medium schools in the Transvaal to contribute to the Voortrekker Memorial Fund.

The editor of the Transvaal Educational News says:—

“The conception of the Voortrekker Memorial and the picturesque and imaginative manner in which the past is being re-enacted by the slow progress of the ox wagon over the historic route are strokes of genius worthy of the birth of a real national sentiment in South Africa.”

He continues: “Have we not all one Father? Hath not one God created us? In this spirit the appeal to the children should be made for a token of their good will towards a united South Africa.”
