

SUBJECT INDEX

	<i>Volume</i>	<i>and Page</i>
Antigen		
The isolation and identification of an antigen for the diagnosis of bovine mastitis by radial immunodiffusion.....	41	93-96
Babesia bovis		
The transmission of <i>Babesia bovis</i> using frozen infective material obtained from <i>Boophilus microplus</i> larvae.....	41	70-80
Baboons		
A survey of diseases among 100 free-ranging baboons (<i>Papio ursinus</i>) from the Kruger National Park..	41	97-168
Bacteria		
Sedimentation of bacteria with polyethylene glycol.....	41	75-78
Bosnoitia besnoiti		
Immunization against bovine besnoitiosis with a live vaccine prepared from a blue wildebeest strain of <i>Bosnoitia besnoiti</i> grown in cell cultures. 1. Studies on rabbits.....	41	1-6
Besnoitiosis		
Immunization against bovine besnoitiosis with a live vaccine prepared from a blue wildebeest strain of <i>Bosnoitia besnoiti</i> grown in cell cultures. 1. Studies on rabbits.....	41	1-6
Bilharzia		
Studies on schistosomiasis. 6. A field outbreak of bilharzia in cattle.....	41	39-50
Blue wildebeest		
Immunization against bovine besnoitiosis with a live vaccine prepared from a blue wildebeest strain of <i>Bosnoitia besnoiti</i> grown in cell cultures. 1. Studies on rabbits.....	41	1-6
Boophilus microplus		
The transmission of <i>Babesia bovis</i> using frozen infective material obtained from <i>Boophilus microplus</i> larvae.....	41	79-80
Bovine		
Immunization against bovine besnoitiosis with a live vaccine prepared from a blue wildebeest strain of <i>Bosnoitia besnoiti</i> grown in cell cultures. 1. Studies on rabbits.....	41	1-6
The isolation and identification of an antigen for the diagnosis of bovine mastitis by radial immunodiffusion.....	41	93-96
The diagnosis of bovine mastitis with particular reference to subclinical mastitis: a critical review of relevant literature.....	41	169-212
Cattle		
Studies on schistosomiasis. 6. A field outbreak of bilharzia in cattle.....	41	39-50
Cortisol		
Studies on the effect of cortisol on the primary immune response to sheep erythrocytes <i>in vivo</i> by mouse spleen cells.....	41	29-38
Cows		
The diagnosis of subclinical mastitis in lactating cows: a comparison of cytological methods and a monovalent radial immunodiffusion test.....	41	51-74
Cytological methods		
The diagnosis of subclinical mastitis in lactating cows: a comparison of cytological methods and a monovalent radial immunodiffusion test.....	41	51-74
Electrophoresis		
Serum protein fractions as determined by cellulose acetate electrophoresis in <i>Schistosoma mattheei</i> infested sheep.....	41	7-14
Fowl typhoid		
The effect of immunosuppression on the development of immunity to fowl typhoid.....	41	15-22
Golden hamster		
The golden hamster as a definitive host of <i>Taenia solium</i> and <i>Taenia saginata</i>	41	23-28
Haemonchus contortus		
Studies on <i>Haemonchus contortus</i> . I. The influence of previous exposure to <i>Trichostrongylus axei</i> on infestation with <i>H. contortus</i>	41	213-216
Immune response		
Studies on the effect of cortisol on the primary immune response to sheep erythrocytes <i>in vivo</i> by mouse spleen cells.....	41	29-38
Stimulation of the immune response <i>in vivo</i> by different nucleic acids.....	41	217-220
Immunodiffusion		
The isolation and identification of an antigen for the diagnosis of bovine mastitis by radial immunodiffusion.....	41	93-96
Immunodiffusion test		
The diagnosis of subclinical mastitis in lactating cows: a comparison of cytological methods and a monovalent radial immunodiffusion test.....	41	51-74
Immunogenicity		
A comparative study on the immunogenicity of live and inactivated <i>Salmonella typhimurium</i> vaccines in mice.....	41	81-92
Immunosuppression		
The effect of immunosuppression on the development of immunity to fowl typhoid.....	41	15-22
Mastitis		
The diagnosis of subclinical mastitis in lactating cows: a comparison of cytological methods and a monovalent radial immunodiffusion test.....	41	51-74
The isolation and identification of an antigen for the diagnosis of bovine mastitis by radial immunodiffusion.....	41	93-96
The diagnosis of bovine mastitis with particular reference to subclinical mastitis: a critical review of relevant literature.....	41	169-212
Mice		
A comparative study on the immunogenicity of live and inactivated <i>Salmonella typhimurium</i> vaccines in mice.....	41	81-92
Mouse spleen cells		
Studies on the effect of cortisol on the primary immune response to sheep erythrocytes <i>in vivo</i> by mouse spleen cells.....	41	29-38
Nucleic acids		
Stimulation of the immune response <i>in vivo</i> by different nucleic acids.....	41	217-220

Papio ursinus		
A survey of diseases among 100 free-ranging baboons (<i>Papio ursinus</i>) from the Kruger National Park..	41	97-168
Polyethylene glycol		
Sedimentation of bacteria with polyethylene glycol.....	41	75-78
Protein concentration		
The elimination of ribonucleic acid interference in the spectrophotometric determination of protein concentration.....	41	221-224
Rabbits		
Immunization against bovine besnoitiosis with a live vaccine prepared from a blue wildebeest strain of <i>Besnoitia besnoiti</i> grown in cell cultures. I. Studies on rabbits.....	41	1-6
Ribonucleic acid		
The elimination of ribonucleic acid interference in the spectrophotometric determination of protein concentration.....	41	221-224
Salmonella typhimurium		
A comparative study on the immunogenicity of live and inactivated <i>Salmonella typhimurium</i> vaccines in mice.....	41	81-92
Schistosoma mattheei		
Serum protein fractions as determined by cellulose acetate electrophoresis in <i>Schistosoma mattheei</i> infested sheep.....	41	7-14
Schistosomiasis		
Studies on schistosomiasis. 6. A field outbreak of bilharzia in cattle.....	41	39-50
Sedimentation		
Sedimentation of bacteria with polyethylene glycol.....	41	75-78
Serum protein		
Serum protein fractions as determined by cellulose acetate electrophoresis in <i>Schistosoma mattheei</i> infested sheep.....	41	7-14
Sheep		
Serum protein fractions as determined by cellulose acetate electrophoresis in <i>Schistosoma mattheei</i> infested sheep.....	41	7-14
Studies on the effect of cortisol on the primary immune response to sheep erythrocytes <i>in vivo</i> by mouse spleen cells.....	41	29-38
Spectrophotometric determination		
The elimination of ribonucleic acid interference in the spectrophotometric determination of protein concentration.....	41	221-224
Taenia		
The golden hamster as a definitive host of <i>Taenia solium</i> and <i>Taenia saginata</i>	41	23-28
Trichostrongylus axei		
Studies on <i>Haemonchus contortus</i> . I. The influence of previous exposure to <i>Trichostrongylus axei</i> on infestation with <i>H. contortus</i>	41	213-216
Vaccine		
A comparative study on the immunogenicity of live and inactivated <i>Salmonella typhimurium</i> vaccines in mice.....	41	81-92
