

# AUTHOR INDEX.

## Volume 16, Nos. 1 and 2.

		PAGE
ALEXANDER, R. A. ...	The transmission of tickbite fever by the dog tick <i>Rhipicephalus sanguineus</i> , Labr. ... ..	9
	Studies on the neurotropic virus of horsesickness. VII. Transmitted immunity ... ..	19
ADELAAR, T. F. ... ..	Bionomic studies on cattle in the semi-arid regions of the Union of South Africa. IV. The ovarian cycle of heifers during summer ... ..	213
BISSCHOP, J. H. R.	Bionomic studies on cattle in the semi-arid regions of the Union of South Africa. IV. The ovarian cycle of heifers during summer ... ..	213
BOSMAN, V. ... ..	Studies on the basic characteristics of South African merino wool. IV. Scaliness ... ..	543
DE VOS, D. ... ..	Sex physiology of sheep. Studies on the nature of the onset of oestrus in ewes following a period of sexual inactivity	243
	Observations on artificial insemination of sheep with fresh and stored semen ... ..	263
DE WAAL, H. L. ... ..	South African Senecio Alkaloids. Part 5. Notes on <i>isatidine</i> , <i>rosmarinine</i> and <i>pterophine</i> , and on the structure of their necines and necic acids ... ..	149
DU TOIT, B. A. ... ..	The endogenous nitrogen metabolism of pigs with special reference to the maintenance protein requirement ...	169
	A study on the possibility of cystine synthesis in the rumen of sheep together with the effect of cystine supplementation on the nitrogen utilization of lucerne in young stock ... ..	181
	The nutritive value of animal proteins. The biological values of fishmeal, whale and fishmeal, meatmeal, meat and bonemeal, crayfishmeal, and white fishmeal ... ..	191
DU TOIT, R. ... ..	Description of a tick <i>Rhipicephalus glabroscutatum</i> , sp. nov. ( <i>Ixodidae</i> ), from Karroo areas of the Union of South Africa ... ..	115
GORDON-JOHNSTON, J.	Further studies on the antigenic structure of paratyphoid bacilli with special reference to three new species of <i>Salmonella</i> ... ..	103
HENNING, M. W. ...	Further studies on the antigenic structure of paratyphoid bacilli with special reference to three new species of <i>Salmonella</i> ... ..	103
MASON, J. H. ... ..	The transmission of tickbite fever by the dog tick <i>Rhipicephalus sanguineus</i> , Labr. ... ..	9
	Studies on the neurotropic virus of horsesickness. VII. Transmitted immunity ... ..	19

	PAGE
MURRAY, G. N. ... ..	Growth of the albino rat with special reference to the influence of environment ... .. 331
MYBURGH, S. J. ... ..	The carotene content of some South African feeds ... .. 199
NEITZ, W. O. ... ..	The transmission of tickbite fever by the dog tick <i>Rhipicephalus sanguineus</i> , Labr. ... .. 9
POLSON, A. ... ..	The particle size of African horsesickness virus as determined by ultra-filtration and ultra-centrifugation ... .. 33
	The electrophoresis of the neurotropic virus of horsesickness and its neutralizing anti-bodies in low concentration ... 51
QUINLAN, J. ... ..	Bionomic studies on cattle in the semi-arid regions of the Union of South Africa. IV. The ovarian cycle of heifers during summer ... .. 213
	Sex physiology of sheep. Studies on the nature of the onset of oestrus in ewes following a period of sexual inactivity. 243
	Observations on artificial insemination of sheep with fresh and stored semen ... .. 263
	A preliminary note on the temperature of the scrotal skin of the bull and its relation to air, skin and body temperature ... .. 299
RHODES, W. F. ... ..	Further studies on the antigenic structure of paratyphoid facilli with special reference to three new species of <i>Salmonella</i> ... .. 103
RIEMERSCHMID, G. ...	A preliminary note on the temperature of the scrotal skin of the bull and its relation to air, skin and body temperature ... .. 299
ROETS, G. C. S. ... ..	A note on the influence of a bloodmeal ration on porphyrin excretion in normal bovines ... .. 315
SMUTS, D. B. ... ..	The endogenous nitrogen metabolism of pigs with special reference to the maintenance protein requirement ... 169
	A study on the possibility of cystine synthesis in the rumen of sheep together with the effect of cystine supplementation on the nitrogen utilization of lucerne in young stock ... .. 181
	The nutritive value of animal proteins. The biological values of fishmeal, whale and fishmeal, meatmeal, meat and bonemeal, crayfishmeal, and white fishmeal ... .. 191
STEYN, D. G. ... ..	Recent investigations into the toxicity of known and unknown poisonous plants in the Union of South Africa. XI. ... .. 121
STEYN, H. P. ... ..	Sex physiology of sheep. Studies on the nature of the onset of oestrus in ewes following a period of sexual inactivity 243
	Observations on artificial insemination of sheep with fresh and stored semen ... .. 263
VAN DER WALT, S. J.	Recent investigations into the toxicity of known and unknown poisonous plants in the Union of South Africa. XI. ... .. 121

	PAGE
VAN DER WATH, J. G. A study on the possibility of cystine synthesis in the rumen of sheep together with the effect of cystine supplementation on the nitrogen utilization of lucerne in young stock ... ..	181
VAN RENSBERG, S. W. J. ... The diagnosis of chronic streptococcus mastitis. Reaction, chlorine, methylene blue and Hotis tests, and microscopic examination ... ..	69
VAN WYK, C. M. ... Studies on the basic characteristics of South African merino wool. IV. Scaliness ... ..	543

## SUBJECT INDEX.

### Volume 16, Nos. 1 and 2.

<b>Albino Rat.</b>	PAGE
Growth of the albino rat with special reference to the influence of environment	331
<b>Animal Proteins.</b>	
The nutritive value of animal proteins. The biological values of fishmeal, whale and fishmeal, meatmeal, meat and bonemeal, crayfishmeal and white fishmeal ... ..	191
<b>Antibodies.</b>	
The electrophoresis of the neurotropic virus of horsesickness and its neutralizing antibodies in low concentration ... ..	51
<b>Antigenic Structure.</b>	
Further studies on the antigenic structure of paratyphoid bacilli with special reference to three new species of Salmonella ... ..	103
<b>Artificial Insemination</b>	
Observations on artificial insemination of sheep with fresh and stored semen ...	263
<b>Biological Value.</b>	
The nutritive value of animal proteins. The biological values of fishmeal, whale and fishmeal, meatmeal, meat and bonemeal, crayfishmeal and white fishmeal ... ..	191
<b>Bovine.</b>	
Bionomic studies on cattle in the semi-arid regions of the Union of South Africa. IV. The ovarian cycle of heifers during summer ... ..	213
A preliminary note on the temperature of the scrotal skin of the bull and its relation to air, skin and body temperature ... ..	299
A note on the influence of a bloodmeal ration on porphyrin excretion in normal bovines ... ..	315
<b>Carotene.</b>	
The carotene content of some South African feeds. ... ..	199
<b>Cattle.</b>	
Bionomic studies on cattle in the semi-arid regions of the Union of South Africa. IV. The ovarian cycle of heifers during summer ... ..	213
