RESOLUTIONS OF RESIDENTS, CHILDREN, PARENTS AND
WORKERS - VAAL TRIANGLE.

Resolutions of residents, children, parents and workers at the meetings held during this month against the increases of rents, payment of water, electricity and the eviction from the houses by the male/female councillors on Monday, 3rd September 1984. No children or worker must go to school or work on Monday 3rd September 1984. This is to show that councillors must resign from their positions, (they must resign) at once because they bring only poverty, difficulties and grievances. Other resolution is that all businesses must be closed for twenty four hours (24 hours).

We have a meeting at Roman Catholic Church, Small Farms at 09h00 (9.00 a.m.) on Monday morning 3rd September 1984.

Date : 3rd September 1984. Time: 9.00 a.m.

Venue: Roman Catholic Church, Small Farms.

We say that apartheid should be abolished now, and even then, its disappearance will not erase the memory of those who have died, or been wounded, or still imprisoned because they dared to raise the voice against this evil system.

Solidarity in the leadership and unity in the ranks are the key concepts.

As long as one single ^{1. African} ^{2. ~~African~~ ~~South~~} INHABITANT

of this Great COUNTRY is
DENIED his or her political
and CIVIC Right. THEN the Government
of SA will BE an international
outcast

We do not want to see Apartheid
disappear in two or three generation
time

Not in twenty years, or ten years
or even tomorrow.
