DEDICATED

BY

SPECIAL PERMISSION

TO

H. B. S. The Prince of Wales.

P R E F A C E.

THESE experiences are taken from the Diary of my journey into Far Bechuana Land, when in the service of the Imperial Government, during the late Zulu war. The object of my mission was to obtain, if possible, natives to assist in the transport of the army.

As I have been quite an invalid since my return to England, I have obtained assistance in preparing this work from my old friend Mr. Walter Goodall, to whom I here tender my sincere thanks.
