Dear Mr. Cleland,

I must apologize for not having  
dropped you a line before. I have written  
to Mr. Wilson now & again, but I doubt  
whether he has received them all. I believe  
I told Mr. Wilson that I meet Cuff  
up here. Cullingworth is here too. How  
are things at the Office. I suppose you  
are still being kept fairly busy. I heard  
from Mother that the Dept have stopped  
my half pay. Is this so? I hope you are  
keeping well. Kindest regards to all  
Yours sincerely W. H. H. H.
