lumbago?

545. tea. We had the lumbago before exercises in warm weather and cold outside. Then got like a bush & tried to start car again to get away from water in Cattawilla but no success. Dribbs staying (Pleasant) at hotel about 1 mi. We all saw one mechanics at once. Paul founds to buy when Dick discovered water & rubber lead to water pump. Dribbs staying (Pleasant) who school teacher in Dribbs & Paul got car going by robbery cracked hole in rubber tube & Pleasant made here to repair it as soon as I got to town. Started, started & he repaired at 8.05. and we left town after him. He had found large kraft at about 8.10 am. Set a torch of torch of lumbrage in my bush and lay after many exercises and put on medicated wool. It remained fairly comfortable all day. Home to TT going & tired & didn't exercise because of back. (Had time for 6 laps - now and got point lead to hotel (public room) back to hotel by 8 am. Left home 7 hr. set bus 7.30. To back that Dribbs Cat was very ill. Had been away all day yesterday and today found him about 6 pm (bad) lame. Phones vet at cold not let anyone find him. Told Dribbs to Melby at 7.45. We all thought the dog signed. Told Dribbs to Melby at 7.45. We all thought the dog signed. Melby not. He would see that Melby still lame comes here. Melby not. He would see that Melby still lame comes here. He got me & I left without message only for Johnson news. Home lame about 8.15. TT G.A. lame + Keltyn brought home message after 11 in PM. Melby says Rat very ill. (still lame) effected but had treated him. Bed (no exercise on account of continuing backache) about 11.30. Weather now definitely cold - of course backache.

Large Kiefs

Fluctuation  
+ Pile irritation

Ten 5.45. In Bay for dinner about 6.30. Large kiefs quite well formed. Slaved adzed + heat polished about 7.45 am. To shore by 9-10 hr. + worked on reeds of last tree bough of Cole tackle which Mrs Lewis carries in her cap + wear on George blouse which consists of "Mata Gisimuk" of that time turned out to be a large fort formed by certain pole umbrella which had the big boughs broken off at 2.45 when I sat in a supporting + broken enough well in after which umbrella was turned. Then the large T.T.G. V.A. bark 2.45 - 3.30. The same Dick, Robert + Morris. Paul latter two then took up Cole Weary and Dick the R26 or he had arrived (R6) + took up of his cut + began to work from me for R33.00! Robert and me then 8.45 + am finished about 9.30. Robert went to see Mr. G. G. "Wall-packs" work while I sat away. Dick went to see Mr. Oral Gordie "Wall-packs" afternoon + they left 5 minutes. He came after me + brought a very different response + T.T.G. A. dinner at 8.30 pm.

Ten 5.45. Long till 7.20!! Slaved, dressed + heat polished. Robert came to string (with soap-water + flattening air in for reeds) the buckles + I gave instructions about work during reeds. (in this North fence down to River) made grand my driveway. (in this North fence down to River) Cut from down West of Westhouse farm around a piece of land up long slope, + now old jacquard running to North fence, tied up long slope, + now run to it. He + Dick (who came to take buckles) - suddenly all trees gone to it. He + Dick (who came to take buckles) - suddenly all trees gone to it. Dick + me then went to work. Left 3.50 for Jim Smith's dray, 4.35 + partly car + self seat ticket at 4.45. + then found some - about crowded because the 5.45 - then this left. Not left (Name). Found myself sent to John Cunn - place not Maxwelltry. Should a part gone + we set off back to River fence to take out - also saw old Hulky at River fence in Cunnaw (he also saw old Hulky at River fence in Cunnaw (he was on plane) + arranged to see him - still in Cunnaw town on plane) + arranged to see him - still in Cunnaw about preservation of Fountain Valley + deteriorating hill about Kudjedah Hill - will help to cause. After Kudjedah Hill - will help to cause. After dinner moved from Maxwell to Maxwelltry + had small sort of trip. Little white (or brown + my hair) + as we came to town in my hands. Little brown + to answer home to west. Fly + know the place in Africa (in this case only) and was off immediately to Curt Cunn Club party - party at 7pm. It got to start to rain. Had quite large tent taken it + bed - had two chairs + three seats of sitting. No one with come early round blown down.

Ten at 6.45. Set up + dressed and heat polished at 7.45 - 8.10. wrote this diary; left audience and left by car for University at 8.30 am. Programme look blue none or less as in first. Fly did not know as the just before breakfast lunch in Gladys' Room then home camp with Floyd + Eric took with a little cat. Very fine + good food. Fly again left v. fast. I stopped me at the entrance (was about ten to need break in study so long) about 10 min starting the right person to talk to (11) - for me at 6. Together + had an nice name + love clothes. Some through the window + looked out lake + table. Some birds to be released to talk to fly + others + people outside were off after him at Kondrells (Kondrells) with son + son. Name been home while son went out to Kondrell to get out before Mallans shown. Stayed with him. Hand them tea + book before which was about 11 am when I came home + had a bath and would be feeling a little ready for all the necessary drinking + my fingers felt like numbing again (right hand).

Tuesday

28/4/64, but day till 7.30 + ended slavish &  
desires: Breakfast at 8.15 + with the day  
my right fingers still slightly numb. Had soft  
Kraft bread. (Oatmeal porridge + milk (no sugar) and  
2 bacon eggs, 2 bacon well done lard + black tea)  
Left for "Kirby" by car at 9 am. Conference  
program followed its course. Spent with Mrs  
& Kelly B. at Kyns and Brothers. (Fried sole + chubac)  
Dinner in evening with Tom + Sean + Alfred Hollars  
at Town House before car back to Lecture by  
Mary McElroy on her Ardathilia in Nepal since last  
Conference Hotel. Very muddled back to Club and  
10.15. Anna Spina visited us - came up and  
said though my typhoid fever for first time but felt  
very tired. Went home + put car back later; brother  
to Kyns London about 11.30 after dinner crowds  
had enveloped all of Spina. + dropped into bed.

29/4/64. Got up + worked, shaved etc. +  
wrote this diary + went down to breakfast  
Term car to foreground carport by 9 am + met Adele  
Nando from + it was decided 7.30 in her residence instead  
of mine. Two friends (Norman + P.) were sent in  
place of busines. Two friends (Norman + P.) were sent in  
place of busines. Adele + I followed the Brown through Kibbutz  
with me and she wrote out the June Brown sister - but they  
were pretty silent. We followed the Brown through Kibbutz  
Shalem + Yarden last, now on to Ramat haSharon + on to Beersheba  
Mayer addressed me (Carmel Wynn) (now her) + on to BeerSheba  
(why?) he left me. Now on to BeerSheba for three days  
(why?) we found + Rose (longue) now. Adele + I then  
under trees with fried + Rose (longue) now. Adele + I then  
left alone in Negev + visited Netanya (Hagia + lost and  
a busines was all rd. (Presently Rose carpeted visiting of city)  
+ met Brown on Jaffa road + we wanted my book "Saul"  
Now through Kibbutz Wadi + past Shearot (they are now  
dark + modern place + had lost at Jaffa) Kibbutz  
own Mrs Mayberg. Now in through Negev  
to Negev where we arrived just before 2pm + went to  
part of way. Adele left to have coffee I did. Now I  
had quite left out of + took number of photos  
and then stayed in Jaffa Brown, crayfish + wine (which  
I left about 11 am). Tom + Adele home at - I left about 9  
after. Tom + Adele home at - I left about 9  
was still here for C.T. Mrs Fry in car with us.  
Felt tired - dropped  
the eating the most motion of things. Felt tired - dropped  
into bed.

\* → 30.4.64 → to be continued by Babette on yesterday  
 Thursday (continued).

After many lecture refuted mutations & lunch + went  
 out to Underwater tank in under tree on road off deWaal drive  
 to Johannesburg to see my cabin myself before leaving this  
 afternoon.

2 pm. Wynand went in choir + I delivered my paper to Conference  
 Chair my oration and very popular. Break for tea + no place  
 to have long time for discussion after at most one hour.  
 Went off to S.A.C. (Seabourn) with Beeman + Munnell in  
 car (Vanderkloof had taken their bus) to go broadcast as  
 arranged. Munnell, Fry, Beeman, Guedes + myself will  
 SABC. telew (?) Johannesburg. Keeping my going in funds  
 of Conference - (will be broadcast on 7pm Sunday) next.  
 Tongue about 6.15 + held up a red card which they took and  
 put it down + asked to drink (+ dinner) with Adele + Wells  
 as arranged. Very nice as we had to be back at University  
 at 8.15. for Prof. Side lecture. Orchestra in Tropical Room.  
 Back to Adele + Wells + was back by car to Club -

1/5/64 (1/2 of day & earlier before)

Friday → To University by 9.15. for Paulo Freire. He lectured  
 in prairie + wild fields & show of the most uninhabited  
 land. Was very neat & Maxwell Fry also seemed to enjoy  
 it immensely. — Then went out to Silverhurst.

2/5/64

Saturday → We ate 4 pm + at Babette Tante's flat at R. 50 am  
 She was ready + we took off at once along deWaal  
 drive + Seabourn. In Long Park st on main road  
 by passing Colenso + Swellendam + Albertina Monell Bay  
 where I used to work part time dry + field info.  
 On via Onderberg Park (by pass George) + St. & Mill  
 River about 11.30 am + had Monday dinner shortly after  
 that. Lay down till 3pm + after the Sun went over +  
 afternoon looking over old home + supper about 6.30 pm  
 + ate some time a Steak with baked Sun + too late  
 for bed + wife returned from Kribbie flat. Old  
 home for dismantling tomorrow + to bed by 10.30 pm

3/5/64

Sunday. abt 4-7 am: Breakfast 8 am. + left to Old home  
 by 8.30 fm where 2 coloured boy held tele for Catonians  
 measurements made + outside dry money abt 11.30.  
 No Standard for rest of day (would not break  
 for midday dinner) to measure abt + make notes abt  
 till about 6 pm then it got too dark. Babette T. helped  
 me + chatted intermittently. Back at home a most unique  
 + interesting Samuel Suthe a "Steek" who worked Sun  
 every day - his Babette T. insisted on my driving her  
 to her male Charlie Tante or saying from where because  
 he knew so much about history of old home - He was in middle  
 of supper with Sun, daughter + his friends + we  
 suddenly sat down like the French. All very amiable +  
 perceptive. Old boy not very related to talk. Very interested  
 how various rooms to see old mill house furniture + other -  
 home had found so home to study some documents. We  
 sit here about 8.30 + find ourselves lost abt. This whole  
 peculiar, uninhabited trip made me feel odd + I came & then  
 home to write this diary up + study documents about Australian  
 highway. Got to Club on Friday by Watermeyer (friend + Elsie Marie)  
 who has garage business with many Ash + Swellendam frosty  
 very low bush trousers. She wanted to leave after breakfast.

Thursday.

Up. 7 pm. Breakfast of bacon - boiled eggs + sausage then  
+ toast and butter and some immediate charcoal (small, very dry toast, butter + sugar in oatmeal porridge -)  
Signed: Tuesday at C.S.C.C. informed me at 9 am. in hotel Hall  
about my Portage entitlement + submitted cheques with  
my signature forged on endorsement + made up by different  
He signed, I signed twice (by) down to case (at State Cost) but  
I blundered the last one. On to Walla Walla by car at noon  
(about 8-10 min!) to return to Coba (100') forward for  
William measure etc. Had tea with Walla (from Hitler)  
~~Walla~~ Peabody + him on to Abuca car  
Here who noticed we back to St George St + took car back to  
clean up + found our new mirror. Found poles to car  
smashed off 4 km + they must bring to club. Visited old  
Olin Albert Brand (90 years old next month) from 11.45 -  
12.45 sitting thin man before. The dear old boy was  
just as alive, relaxed + interested + well as ever and  
gave me 'doge' of myself Brand crest found in his books  
safe just off his death the other day. Met Francis Hartle  
at 12.55 at C.S.C.C. did helessness drunk + home early  
3.30 pm or maybe 5 pm the next morning and expected  
to unhouse in J. Blundell he did. Back to my room  
after to get this away of bed -  
(This morning had made arrangement by phone with  
Anne Cooke (united) - given + got Bonnac house.  
Addie Nance for Thursday (breakfast - dinner) + Lynda  
Boyle for Friday " " + Ray Lee TW. (out) leaving  
message for Linda. Friday, at C.S.C.C.  
St. Car down from Afartrie at 4.55 pm + stopped at  
Sue's brother at Tammie House for 1/2 hour chat, then left  
Debette Tastes that is house at Peter's Cafe at 5-10 + met another  
man at Silverdust for dinner with Oleg + Wally Gilmore +  
Oleg mother. New friends, Mrs + Mrs Gilmer (B.G.E.) joined us.  
Giles left before me + he took my coat I'd on because of Wally  
that Giles has and he (Giles) would be able to leave mine at C.S.C.C. tomorrow.  
I got home in struggle about 12 pm + dropped into bed.

Wednesday.

Up. 7 am. Rain less TW. Could not leave with me Friday. He  
had tennis very free today on Monday he had no today. Seen  
some birds. Some people the tiny Cyprian & Butler today. Most  
seen like Brown Creeper + Cedar waxwing + Geode thrush.  
Check Friday flight at S.A. Army. (Hemisphere) and met from Waterways  
here and discussed Constantine Primary education to get back to school  
instead of C.P.T. + Dennis Fleet Point. Plus sat at lesson on Friday  
at 11.45, wait in to Silverdust + picked up Annie at Constantine + we could  
not go to Coba at 5.30 pm. So we had to leave and there be home. (Giles  
TW. when I ready with Price family back to be called market to take Friday  
bed while he at C.S.C.C. about 2 pm after his meeting.) Annie + I went on to

Wynberg to visit old boyhood village + Dutch church (with Broadhurst house outside!!!) and up to Show tier (Aspern (now Hotel) visiting the main river only. Then on to Sanderburg near Worcester in Cork + left Giles road + on to Great Constantia where Anne + I did great tour around large farm going on to Helder + Elize. Clock to tea at 20 min. home again at 5.15. Then I took Anna back to Constantia + went on to Sandfont for drinks + dinner with Jan & Jan Domsees. (Anne clock (and Annie) and we ate bottle of their wine preserve. Jan + Jan family of course are true Afrikaans about hundred in Constantia now. Jim 'Bect' was fixed Craig (with Gysenwethus) to begin run of car for English visitors arriving tomorrow. New kind of no. left with Anna + decided to go out of Farandis' (Pretoria Dull) for dinner to town (nearby library) with us. We had to wait to eat till 10.45. Then I left. Jan now on his round as we is M.P.C. and discussed future development of Constantia + value of A.R.C. (including fees) for Indaba area seen Carter's. They were most surprised there bankrupt + Jan much less pounds than I expected.

7.5.64

Thursday (Accommodation day).

Up at 7.30. Bill + breakfast at 8.30. + with Ann Domsees we went out to Randwachters (via New House home + Bishop road for outside views) for tea with Lydia + Wynand Dreyer before going on to Adele & Shirley + lunch + rest of day. Founder House still shows out absolutely clean above all other historic buildings. Tea with Lydia + Wynand was very nice, money, children were scruffy home was not the height of expectation. We went straight home won a beautiful Japanese vase they had picked up at an auction for 50/- arrived at Adele at 12.45. drinks + "engelende Vis" delicious biscuits and bread and fruit juice lunch + tea in large after. After our sleep (the three of us are two small cocker spaniels) in play. Wyndham Village (little Tudor) Wynberg Park (not finished). Then needed for falling for "Silly houses" (beginning) + Palmerston Village of others (where Ruth Creasy is - never little garage) houses + Adele and like to agree palm cottage) when we met women gynaecologist busy buying + visiting houses. Home + tea at 4.45. Oscar Willems + Susy a home turned out for drinks + home walls + Adele + Ruth 'house breed' dinner, lemon jello + cream. To Adele later. Adele 'Coke' tasting just as good as ever. Coffee + tea by fire other tea about 10.30 when I left for church + a bed by 11 pm.

H.W. 63. Lay till 7 AM. shave both worse (this day for 2 days) than breakfast about 8 am. I ate all day. Came with Samm at 1pm. Breakfast about 10 am. Drank with May. A radio Eliké (Sorvado) Restaurant. Drank with Samm on my leave. A radio Samm had to press at Krafs about 12 am. Had coffee nuts with Samm during dinner which I think caused a "hangover" STAC Krafs during night. (about 4.30 am) laying me fully weakened & bellyached.

H.W. 63. Lay till 7 AM. shave + breakfast about 8.15 am. To STAC (in time of dinner) went to VDB site to inspect. Drank with Samm all day. No lunch. Tommie dinnerates Krafs for H.W. all day. Drank with Samm. Tommie dinnerates Krafs during day. Left we fully with wealth - Took 2 analgesics twice during day. Felt like bed but had enough time. Came home about 10 pm. Peeled my top at 8.45. Journe 7 AM and had Port + Brandy which forced tummy. No decent show so we stayed early at Samm's till 10.30. Listening to Tom McNamee there. Had 2 bottles ( $\frac{1}{2}$ ) of Noddy Cabaret, went outside & Samm, Phillip, Helen + friends of us and the Port + Brandy at end & felt no further hungover trouble!! Home to bed by 11 pm.
