

## ACKNOWLEDGEMENTS

This study would not have been possible without the support, advice, and encouragement of my promotor, Prof. Dr. A.E. van Wyk. In this regard I also thank Dr. R.E. Magill for his continual support and interest in this project. Dr. O.A. Leistner and Prof. Dr. R. Ochyra provided valuable comments on the manuscript. I have also had stimulating discussions with Prof. Dr. R.M. Cowling and Dr. D.J. McDonald.

The facilities provided by the Director of Research: National Botanical Institute, Prof. Dr. G.F. Smith, are gratefully acknowledged. I am also grateful for financial assistance by the Botany Department, University of Pretoria.

The following people are thanked for their assistance during various stages of the project: Me M.S. Deutschlander, Me D. Maree, Dr. S.M. Perold, Me S. Turck, and Me E.P. van Wyk.

Last, but not least, I thank my family for their love and understanding.
