		Taaibosmond Commonage	Nama Khoi	46 154,3635	1	
Violsdrift						

The ensuing criteria were used to sample these projects utilising the judgement sampling procedure above

- Location in or near (+-40km) to towns forming part of the SNTR.
- Size of the redistributed land. The projects were ranked from one to nineteen (one being for the project with the largest hectares and nineteen for the project with the least amount of land).
- Ownership of the commonages belonging to Nama Khoi Municipality and Richtersveld Municipality.
- Location to national roads. There are two national roads (N7 and N14) that run through Namaqualand heading towards Namibia.
- Location to other natural wonders that are tourist draw-cards such as nature reserves or national parks. There are two nature reserves (Skilpad Wildflower Reserve and Goegap Nature Reserve) and one national park, the Richtersveld National Park.

**ANNEXURE 3: LIST OF COMMONAGE AUTHORITIES INTERVIEWED**

---

<b>NAME</b>	<b>ORGANISATION</b>	<b>POSITION</b>	<b>DATE OF INTERVIEW</b>
Mr Christo Smit	Department of Agriculture: Springbok	Deputy Director	08-Nov-04
Mr AB Koopman	Nama Khoi Municipality	Commonage Manager	08-Nov-04
Mr Abuys de Wet	Richtersveld Municipality	Commonage Manager	17-Nov-04
Mr Steven Modise	Department of Land Affairs: Northern Cape	Deputy Director	17-Nov-04

**ANNEXURE 4: INTERVIEW SCHEDULE: COMMONAGE USERS**

*Steinkopf (Breekhoorn/Nakanas), Steinkopf commonage (Taaibosmond), Steenbok Commonage, Springbok commonage, Springbok (Draay) and Port Nolloth Commonage]*

Date: \_\_\_\_\_

Name of Commonage User: \_\_\_\_\_

Male  Female

Position in user association and/or commonage management committee:

**1. ACCESS TO LAND AND LAND USE**

1.1 What year did you start using the commonage?

Pre-1994	
1994	
1995	
1996	
1997	
1998	
1999	
2000	
2001	
2002	
2003	
2004	

1.2 How is access to the commonage determined?

The numbers of livestock owned	
Intention to start crop production and need access to land	
Intention to start farming with livestock and need access to land	
Intention to access to land for other agricultural or agro-processing activities (Please list)	
Other selection procedures for access not listed above:	

1.3 Are the above selection procedures fair?

Yes  No

If No the reasons that they are not fair:

Municipality favours rich farmers	
Municipality favours poor farmers	
Municipality chooses only livestock farmers	
Municipality only chooses crop farmers	
Municipality chooses community leaders	
Municipality chooses on recommendation of community leaders	

1.4 Who has access to the Commonage?

	Livestock farmer	Crop farmer	Other activities (specify)
1. Number of lessees by racial classification: White or Black (defined as Coloured, Indian and African in terms of the <i>White Paper on Land Policy</i> )	Black	Black	Black
	White	White	White
2. Duration of lease/grazing arrangement			
3. Lease/grazing arrangement fees			

1.5 What was your occupation before accessing the commonage?

Independent farmer	
Farm worker	
Running own business	
Private sector employee e.g. mineworker	
Military/police	
Teacher	
Student	
Hawker	
Unemployed	
Other (Please specify)	

1.6 Are you still involved in the same occupation?

Yes  No

Reason/s if the answer is No:

---

---

---

---

1.7 How do you use the land?

Only communally	
Communally and individually	
Only individually	

1.8 What agricultural activities take place on the land communally and/or individually?

Activities	Communal use	Individual use
Livestock		
Crop production		

1.9 Do you, or have you ever contributed anything for use in communal activities?

Yes  No

1.10 If yes to question 1.9 what contribution do/did you make towards communal activities?

Contributions	Rand value (Estimate only)
Tools and equipment	
Livestock	
Crop production inputs	
Labour	
Fencing	
Borehole	
Other (specify)	

**SECTION 2: LIVESTOCK FARMING IN NAMAQUALAND**

2.1

Type of animal owned	Total number	Number sold in the last 12 months	Average selling price per unit	Number slaughtered for household consumption
Goats				
Sheep				
Cattle				
Pig				
Chicken				

2.2 Animal by-products produced and sold in the last year:

Product	Amount Produced	Number Sold in last year	Rand Value
Eggs			
Milk			
Cheese			
Yoghurt			
Sour Milk/Amasi			
Wool (Sheep)			
Other: Specify			

2.3 What, in your opinion are the advantages and disadvantages of livestock production?

---

---

---

---

---

---

---

---

---

---

Why?

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

4.2 Please list all support you may have received from either a government department or non-government organisation or private businesses in relation to farming on this commonage?

Type of Support	Name of organisation
Training and/or advice on rotational grazing	
Training and/or advice on crop production	
Training and/or advice on soil conservation	
Training and/or advice on fire management	
Training and/or advice on water conservation	
Dipping Services for cattle	
Vet Services	
Other training/advice provided:	
No training received	
No extension services provided	

In your opinion has farming through access to this commonage improved your and the other commonage farmers' lives in relation to:

<b>FACTORS</b>	<b>IMPROVEMENT (PLEASE GIVE EXPLANATION FOR EACH ONE)</b>	<b>NO IMPROVEMENT (PLEASE GIVE EXPLANATION FOR EACH ONE)</b>
Land access		
Housing		
Farming e.g. increase in livestock and/or crop production		
Education of children		
Food		
Other moveable assets		
Income		

4.3 Please list all non-farm (not obtained from the farm/products of the farm) income:

<b>INCOME SOURCES</b>	<b>RAND VALUE</b>
Government Pension/s	
Formal sector employment e.g. mining, public service	
Non-formal sector e.g. selling of non-farm products such as beer, clothes	
Other (specify)	

**SECTION 5: TOURISM**

5.1 Do tourism activities take place on this commonage?

Yes  No

Yes  No

Please explain your answer.

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

Conditions	Poor	Fair	Good
Soil			
Grazing fields			
Infrastructure e.g. fences, pumps			
Access to water			
Camps			
Other			

2.2 Please list all support the commonage users may have received either from a government department, non-government organisation or private business in relation to farming on this commonage

Type of support	Name of organisation
Training and/or advice on rotational grazing	
Training and/or advice soil conservation	
Training and/or advice on fire management	
Training and/or advice on water conservation	
Dipping services for cattle	
Vet services	
Other training and or advice provided	
No training received	
No extension services provided	

2.3 Do you think that the commonage users and management committees receive adequate support from your organisation?

Yes  No

3.2 Have the commonage users and/or other members of the communities living near the commonages expressed the need for tourism ventures on the commonages? Yes  No

3.3 If yes, is it one or more of the following types:

<b>Sectors</b>	
Community based tourism through the establishment of a guesthouse and conservancy	
Game viewing	
Floral viewing	
Adventure tourism (4x4, mountain climbing, mountain-biking, etc)	
Historical and cultural tourism

	1 = no growth	3 = in between	5 = strong growth		
SECTORS	1	2	3	4	5
Community based tourism through guesthouse and conservation					
Game viewing					
Floral viewing					
Ecotourism through conservation tours					
Adventure tourism (4x4)					
Historical and cultural tourism: History of the Eksteenfontein area.					
Hunting					
Hiking trails					
Bird watching					

Please give reasons for your ratings:

---

---

---

---

---

---

---

---

---

---

4.4 Can you identify factors that can prevent the community from achieving its development goals with regard to the conservancy in Eksteenfontein? [Tick one or more boxes if relevant]

Poor Management by CPA	
Financial losses	
Poor infrastructure such as roads, electricity	
Community tensions	
No proper training given to people to manage the conservancy	
Community want other jobs	
Community will lose interest in the conservancy	
Too many people involved	
Too few people involved	
Poor communication and feedback to the community	
People will lose sight of their culture for money	

4.5 In your opinion, how can the community together with other government, non-governmental and private sector role-players contribute towards the development and promotion of tourism in the Eksteenfontein?

---

---

---

---

---

---

---

---

---

---

**THIS IS THE END OF THE INTERVIEW.**

**THANK YOU FOR YOUR TIME/  
DANKIE VIR U TYD.**

**2. TOURISM IN THE EKSTEENFONTEIN-RICHTERSVELD**

2.1 Please outline some of the strategic objectives of the management committee in relation to the tourism?

---

---

---

---

---

---

---

---

---

---

2.2 How would you rate the following sectors for tourism in Eksteenfontein?

**On a scale of 1 to 5:**

1= not important

3= in between

5= very important

<b>SECTORS</b>	<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>
Community based tourism					
Game viewing					
Floral viewing					
Agri-tourism					
Adventure tourism (4x4)					
Historical and cultural tourism					
Hunting					
Other forms (state)					

Give reasons for the above ratings:

---

---

---

**3. THE ROOIBERG CONSERVANCY PROJECT**

3.1 Please outline some of the community based tourism initiatives that the Eksteenfontein community has embarked on?

---

---

---

---

What criteria did the community use to select people?

---

---

---

---

<b>LEVEL OF EDUCATION</b>	<b>NUMBER OF PEOPLE (or express as percentage of projects)</b>
No formal education	
Primary school	
Primary and some High School	
Matriculated	
Tertiary	

3.3 What skills did these people possess (e.g. communication skills) before they embarked on these ventures?

---

---

---

---

---

---

---

---

---

---

3.4 Please list any training that the people received since their involvement in the ventures? If they have not received training, is the organisation planning such training programmes?

---

---

---

---

---

---

---

---

3.10. What other livelihood activities are members of the conservancy project involved in?

Livestock farming	
Crop farming	
Commercial agricultural activities producing for markets at scale)	
Mining sector	
Public service	
Unemployed	
Other	

3.11 If they were involved in other livelihoods how would you rate the importance of tourism as an economic activity in relation to the other livelihood/s?

1= NOT IMPORTANT

3= THE SAME

5= VERY IMPORTANT

3.12 Besides the organisation and the communities who are the other stakeholders involved in this project?

---

---

---

---

---

---

---

---

---

---

3.13 What are the advantages and disadvantages of community based tourism in relation to this conservancy project?

---

---

---

---

---

---

---

---

---

---

- 3.14 How would you rate the future success of this conservancy project on a scale of 1-5:  
1= NOT SUCCESSFUL  
3= MODERATE SUCCESS  
4= SUCCESSFUL

- 3.14 Do you think the conservancy project can contribute to poverty alleviation in Eksteenfontein-Richtersveld? Why?

**4. TOURISM MARKETS**

- 4.1 What is the organisation's marketing strategy in relation to Eksteenfontein-Richtersveld Conservancy project?

---

---

---

---

---

---

---

---

---

---

Has the management marketed this venture in South Africa and internationally:

No

Reason/s:

---

---

---

---

---

---

---

---

---

---

Yes

Please Outline Strategy:

---

---

---

---

---

---

---

---

---

---

5.3 Do you foresee an increase in tourism businesses in the following sectors in Eksteenfontein-Richtersveld?

	1 = no growth	3 = in between	5 = strong growth		
SECTORS	1	2	3	4	5
Community based tourism					
Game viewing					
Floral viewing					
Agri-tourism					
Adventure tourism (4x4)					
Historical and cultural tourism					
Hunting					
Other forms (state)					

Please give reasons for your ratings:

---

---

---

---

---

---

---

---

---

---

---

---

5.4 Can you identify factors that act as obstacles in preventing the realisation of development potential for tourism in the area?

---

---

---

---

---

---

---

---

---

---

---

---

5.5 How can the organisation together with other government, non-governmental and private sector role-players contribute to towards the development and promotion of tourism in Eksteenfontein-Richtersveld and in the province as a whole?

---

---

---

---

---

---

---

---

---

---

---

---
