Indigenous Knowledge Resource Centers

This resource guide comprises of a list of indigenous and non-indigenous people's organizations and institutions that are interested in intellectual property rights. Some of these organizations are referred to in this thesis. This is not a complete list of all IK resource institutions but some of the most prominent organizations that represent IK interest across continents (IUCN, 1997:174-7; Posey & Dutfield, 1996:245-281).
