

APPENDIX N

RESPONSE FORM III: TRAINING EVALUATION

The following questions relate to the in-service training programme in which you participated. This information will be used to help the planning of further programmes.

SECTION A

1 What is your date of birth?

Day	Month	Year

SECTION B

2 Did the training help you to improve your knowledge regarding children with severe disabilities?

It didn't help	It helped a little	It helped quite a lot	It helped very much

3 Please answer the following questions related to the training method and training materials.

	Yes	No	Uncertain
I enjoyed working with a problem-based format			
I could identify with the case studies.			
The hand-out is helpful.			
I think that important information is missing.			
The Beginning Communication Intervention Protocol (BCIP) is useful.			
The BCIP is easy to use.			
I will be able to plan a programme for a child with a disability and his/her caregiver, using the BCIP.			
The length of the training was sufficient.			
There was enough time for questions and answers.			
There was enough time to practise using the BCIP.			
The training helped me to adopt a positive attitude towards service delivery for children with severe disabilities and their parents.

I think all community nurses should undergo this training programme.			
I enjoyed the training.			

4 Which 3 aspects of the training did you enjoy most?

		24-25
		26-27
		28-29

5 On which aspects would you have liked more information?

		30-31
		32-33
		34-35

SECTION C

6 Suggestions on how to improve the training

		36-37
		38-39
		40-41

7 Any additional comments

		42-43
		44-45
		46-47

SECTION D

8 Overall rating of the training

48

Very poor	Poor	Good	Very good	Excellent
-----------	------	------	-----------	-----------
