

ANNEXURE A: MCDC – PROJECTS FOR IMPLEMENTATION

SUPPORT AND IDENTIFIED NEEDS

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 1	Soutpan/ Tswaing	Investigate the feasibility of closing or realigning road D600 so that it does not bisect the nature area.		YES	Infrastructure	Medium
MCDC / 2	Soutpan/ Tswaing	Study to ensure that adequate access to the Tswaing Nature Area is provided.	YES		Infrastructure	Medium
MCDC / 3	Soutpan/ Tswaing	Create craft market opportunities and facilities.		YES	Economic	High
MCDC / 4	Soutpan/ Tswaing	Market the tourism potential of the area.	YES		Economic	High
MCDC / 5	Soutpan/ Tswaing	Formulate a strict zoning plan in the vicinity of the museum.	YES		Infrastructure & Land-use	Low
MCDC / 8	Soshanguve	Upgrade passenger intermodal facility at Mabopane station.	YES		Infrastructure	High
MCDC / 9	Soshanguve	Investigate the northwards extension of the mobility spine.	YES		Infrastructure	High
MCDC / 10	Soshanguve	Formalise the activity spine in Soshanguve from a transportation point of view.	YES		Infrastructure	High
MCDC / 11	Soshanguve	Extend the railway line northwards into Soshanguve.		YES	Infrastructure	High
MCDC / 12	Soshanguve	Establish new taxi facilities in Soshanguve.		YES	Infrastructure	High
MCDC / 14	Soshanguve	Compile a detail integrated development plan for Mabopane Station area.	YES		Infrastructure, Economic & Land-use	High
MCDC / 16	Soshanguve	Link the PWV9 with the N1, north of Pretoria.	YES		Infrastructure	Medium
MCDC / 17	Soshanguve	Build additional primary and secondary schools in Soshanguve according to demand.		YES	Human Resource Development	High
MCDC / 18	Soshanguve	Assist in building additional crèches and pre-schools in Soshanguve according to demand.		YES	Human Resource Development	Medium

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 20	Soshanguve	Compile an IDP for the Tertiary Economic Activity Node (Soshanguve Station).	YES		Economic	Medium
MCDC / 21	Soshanguve	Promote the establishment of services orientated industrial activities.	YES		Economic	High
MCDC / 22	Soshanguve	Establish support programmes for office development and related activities.	YES		Economic	High
MCDC / 24	Soshanguve	Develop a fresh produce market.	YES		Economic	High
MCDC / 25	Soshanguve	Establish Entrepreneurial and Technical Training Facilities at NAFCOG MLDC.	YES		Human Resource Development	Medium
MCDC / 30	Soshanguve	Establish community centres combined with a medical support centre in KKG where a range of social services could be rendered.		YES	Infrastructure & Human Resources Development	Medium
MCDC / 31	Soshanguve	Ensure proper accessibility of centres to the disabled.		YES	Infrastructure & Land-use	High
MCDC / 34	Soshanguve	Develop adult education centres according to demand.		YES	Infrastructure & Human Resource Development	High
MCDC / 35	Soshanguve	Develop a trauma centre and service for abused people.		YES	Human Resource Development	High
MCDC / 36	Soshanguve	Establish centres for informal traders .	YES		Land-use	Medium
MCDC / 39	Soshanguve	Develop an Arts & Crafts Centre.		YES	Infrastructure & Human Resource Development	High
MCDC / 41	Soshanguve	Establishment of sports and recreational facilities in Soshanguve area.		YES	Land-use	High
MCDC / 47	Soshanguve	Extend the Rietgat waste water treatment plant.	YES		Infrastructure	High
MCDC / 49	Soshanguve	Soshanguve: Main outfall sewer.	YES		Infrastructure	Medium
MCDC / 50	Soshanguve	Sewerage network: Soshanguve south.	YES		Infrastructure	Medium
MCDC / 52	Soshanguve	Extend the Rietgat waste water treatment plan: Soshanguve	YES		Infrastructure	Low

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 53	Soshanguve	Soshanguve substation stage 1.	YES		Infrastructure	High
MCDC / 54	Soshanguve	Establish 132/33 and 132/11 kV substations and provide new powerlines.	YES		Infrastructure	High
MCDC / 55	Soshanguve	Address the urgent need for training in management and operation of the Soshanguve landfill site.	YES		Infrastructure	Medium
MCDC / 56	Soshanguve	Provide a garden refuse facility: NPMLC.		YES	Infrastructure	Medium
MCDC / 57	Soshanguve	Soshanguve transfer station.		YES	Infrastructure	High
MCDC / 58	Soshanguve	Upgrading of Soshanguve cemetery.		YES	Infrastructure	Low
MCDC / 59	KKG	Investigate the intermodal facility at or near the railway station close to road 2758.	YES		Infrastructure	High
MCDC / 60	KKG	Construction of the K6.	YES		Infrastructure	Low
MCDC / 61	KKG	Construction of the K4.	YES		Infrastructure	High
MCDC / 64	KKG	Construct a road over rail bridge where the activity spine crosses the Mabopane-Pretoria railway line, between Station A and Road 2758.	YES		Infrastructure	High
MCDC / 65	KKG	Construct a road over rail bridge where the activity spine crosses the De Wildt-Winterneest railway line, between the proposed K6 and K63.	YES		Infrastructure	High
MCDC / 66	KKG	Determine the feasibility of establishing public transport services along the activity spine.	YES		Infrastructure	High
MCDC / 67	KKG	Klip-Kruisfontein roads masterplan - Implement construction.	YES		Infrastructure	High
MCDC / 68	KKG	Compile a development and investment plan for the CBD of the KKG-area .	YES		Land-use & Economic	High
MCDC / 69	KKG	Introduce small scale farming in the area surrounding KKG (liaise with DWAF).	YES		Land-use & Economic	High
MCDC / 71	KKG	Build additional primary & high schools in KKG.		YES	Human Resource Development & Land-use	High

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 72	KKG	Build library in the area.		YES	Human Resource Development & Land-use	High
MCDC / 73	KKG	Assist in building additional crèches and pre-schools in KKG.		YES	Human Resource Development & Land-use	High
MCDC / 75	KKG	Establish community centres combined with a medical/trauma support centre in KKG where a range of social services could be rendered.		YES	Human Resource Development & Land-use	High
MCDC / 76	KKG	Build an old age care centre / clinic according to demand.		YES	Human Resource Development & Land-use	High
MCDC / 77	KKG	Build a 24 hour clinic with a maternity ward and ambulance services.	YES		Human Resource Development & Land-use	Medium
MCDC / 78	KKG	Build a veterinary clinic for pets.		YES	Human Resource Development & Land-use	Medium
MCDC / 80	KKG	Supply public transport facilities.		YES	Infrastructure	High
MCDC / 81	KKG	Develop a storm water drainage system.		YES	Infrastructure	Medium
MCDC / 83	KKG	Erect robots at the Mabopane/Rosslyn/Soshanguve junction.		YES	Infrastructure	High
MCDC / 86	KKG	Provide business opportunities for locals as a priority.	YES		Economic	High
MCDC / 88	KKG	Secure sites for business development.	YES		Land-use	High
MCDC / 89	KKG	Develop a trading centre for informal businesses.	YES		Land-use & Economic	High
MCDC / 90	KKG	Facilitate small scale business projects: strategically located & sustainable.	YES		Economic	High
MCDC / 92	KKG	Facilitate investment in multipurpose shopping centre.	YES		Land-use & Economic	High

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 93	KKG	Create and/or improve security, safety and protection services and infrastructure in KKG.		YES	Human Resource Development	High
MCDC / 94	KKG	Build a fire station.		YES	Human Resource Development	High
MCDC / 95	KKG	Establish a permitted waste disposal area.	YES		Infrastructure	High
MCDC / 96	KKG	Introduce a waste disposal system.	YES		Infrastructure	High
MCDC / 97	KKG	Establishment of sports and recreational facilities in KKG area.		YES	Human Resource Development	Medium
MCDC / 99	KKG	Build a community hall & parks.		YES	Human Resource Development & Land-use	Medium
MCDC / 100	KKG	Build a cemetery.		YES	Infrastructure	High
MCDC / 101	KKG	Supply temporary water supply during development.		YES	Infrastructure	Medium
MCDC / 102	KKG	Ensure proper electricity supply to developing areas.	YES		Infrastructure	Medium
MCDC / 103	KKG	Telecommunications and post office.		YES	Infrastructure	High
MCDC / 104	KKG	Develop affordable sewerage & reticulation infrastructure.		YES	Infrastructure	High
MCDC / 105	KKG	Develop rent payment offices.		YES	Human Resource Development & Land-use	High
MCDC / 108	KKG	Waste water treatment plant for Klip-Kruisfontein.		YES	Infrastructure	High
MCDC / 109	KKG	Outfall sewer pipelines for the Klip-Kruisfontein area.		YES	Infrastructure	High
MCDC / 110	KKG	Klip-Kruisfontein water supply.		YES	Infrastructure	High
MCDC / 111	Onderstepoort	Study to address the environmental impact of the transportation infrastructure in the area.	YES		Economic	Low
MCDC / 112	Onderstepoort	Urban agriculture project - Onderstepoort land.	YES		Economic	High
MCDC / 116	Onderstepoort	Create employment opportunities through linkages with nature and tourism.	YES		Economic	High
MCDC / 117	Onderstepoort	Onderstepoort (garden- and builders waste).	YES		Infrastructure	Low

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 118	Rosslyn	Rosslyn industrial area taxi rank.	YES		Infrastructure	Low
MCDC / 120	Rosslyn	Promotion/implementation of lower income housing within Klerksoord and surroundings (high density).	YES		Land-use	High
MCDC / 121	Rosslyn	Market the Tax Holiday Scheme in conjunction with appropriate land.	YES		Economic	High
MCDC / 122	Rosslyn	Establish an Automotive Training Section for taxi drivers and others at Skills Academy.	YES		Human Resource Development	High
MCDC / 123	Rosslyn	Negotiating with industrial land owners of large and unutilised stands to establish high density residential development in the form of small sport villages with an open space network linking them, between industrial buildings and stands.	YES		Land-use	High
MCDC / 124	Rosslyn	Determine the need for English medium schools in Rosslyn.		YES	Human Resource Development	High
MCDC / 127	Rosslyn	Street children project - training in basic skills.		YES	Human Resource Development	Medium
MCDC / 128	Rosslyn	Establishment of community centres combined with a medical support centre in Rosslyn where a range of social services could be rendered.		YES	Human Resource Development	High
MCDC / 133	Rosslyn	Job creation through inward industrialisation.	YES		Economic	High
MCDC / 134	Rosslyn	Industrial complex/cluster analysis with emphasis on the motor vehicle industry.	YES		Economic	High
MCDC / 136	Rosslyn	Vacant or abandoned private property needs tight security to prevent vandalism.		YES	Human Resource Development	High
MCDC / 137	Rosslyn	Establishment of sports and recreational facilities in Rosslyn area.		YES	Human Resource Development	High
MCDC / 142	Rosslyn	Klerksoord sewerage network.		YES	Infrastructure	Medium
MCDC / 143	Rosslyn	32 kV line: Gomsand to Rosslyn .		YES	Infrastructure	High
MCDC / 144	Rosslyn	32 kV line: Rosslyn to Buffalo.		YES	Infrastructure	High
MCDC / 145	Rosslyn	Upgrade Rosslyn substation.	YES		Infrastructure	High
MCDC / 146	Rosslyn	Establish a landfill site at Rosslyn.	YES		Infrastructure	High

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 147	Tswaing	Develop the PWV9/PWV2 primary economic corridor node.	YES		Economic, Land-use	High
MCDC / 149	Akasia	Investigate the feasibility of using Wonderboom Airport as a major air transport hub.	YES		Infrastructure & Land-use	High
MCDC / 150	Akasia	Extension of runway: Wonderboom Airport.	YES		Infrastructure	High
MCDC / 152	Akasia	Establishment of taxi facilities in Tswaing (Akasia).	YES		Infrastructure	High
MCDC / 153	Akasia	Compile an investment plan for Akasia CBD.	YES		Economic	High
MCDC / 154	Akasia	Study to ensure adequate access is given to the Tswaing CBD area.	YES		Infrastructure	High
MCDC / 156	Akasia	Investigate and determine locality and feasibility of electronic tradeport.	YES		Economic	High
MCDC / 159	Akasia	Provide infrastructure for high density middle income.	YES		Land-use	Medium
MCDC / 160	Akasia	Cater for infill development : market such areas.	YES		Land-use	High
MCDC / 163	Akasia	Orchards sewerage network.		YES	Infrastructure	Medium
MCDC / 167	West Moot	K20 as access street: detail implementation study.	YES		Infrastructure	High
MCDC / 169	West Moot	Change of policy to allow smaller holdings and subdivision smaller than the allowed 0,8656 Ha, for small industries.	YES		Land-use & Economic	Medium
MCDC / 171	West Moot	Linking/extending the linear business centres of Rachel de Beer/Brits Road/President Steyn Street with office/business uses.	YES		Infrastructure, Economic & Land-use	Medium
MCDC / 173	West Moot	PWV9 integrated land use framework (extension to the south).	YES		Land-use	High
MCDC / 174	West Moot	Integrated Van der Hoff activity framework plan.	YES		Land-use	High
MCDC / 175	West Moot	Stimulate east-west mixed business development to strengthen linkages with the north-south MCDC.	YES		Land-use & Economic	High
MCDC / 176	Pretoria West	Promote the development of local economic activities in dormitory areas.	YES		Economic	High

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 177	Pretoria West	Investigate the implications of downgrading the status of the N4 west.	YES		Infrastructure	High
MCDC / 178	Pretoria West	Investigate the implications of tolling the PWV9 within the study area.	YES		Infrastructure	High
MCDC / 179	Pretoria West	Provide an additional railway station for Atteridgeville.		YES	Infrastructure	High
MCDC / 180	Pretoria West	Establishment of taxi facilities in Atteridgeville.			Infrastructure	High
MCDC / 182	Pretoria West	Urban agriculture and sport related projects between Church Street and the toll road.	YES		Land-use & Economic	High
MCDC / 185	Pretoria West	Establish the lifespan of the Iscor plant and determine alternative scenarios to prevent/minimise impact should the plant close down.	YES		Economic	High
MCDC / 188	Pretoria West	Determine locality of fresh produce market; feasibility study and construction if positive.	YES		Land-use & Economic	High
MCDC / 189	Pretoria West	Expansion of hospital and technical college.		YES	Human Resource Development	Medium
MCDC / 190	Pretoria West	Develop multi-purpose community centre close to West Fort Hospital.		YES	Human Resource Development	High
MCDC / 192	Pretoria West	Identify small scale farming opportunities.	YES		Land-use & Economic	High
MCDC / 193	Pretoria West	Extension of the existing industries in Claremont and Booyens by appropriate zoning measures.	YES		Economic	High
MCDC / 194	Pretoria West	Create and/or improve security, safety and protection services and infrastructure in Pretoria West Area.		YES	Human Resource Development	High
MCDC / 195	Pretoria West	Satellite clinics.		YES	Human Resource Development	High
MCDC / 196	Pretoria West	Improve road infrastructure in PTA West. Upgrade and tar existing roads. Widen roads and pavements.		YES	Infrastructure	High
MCDC / 197	Pretoria West	Improve traffic awareness and erect more robots.		YES	Infrastructure	Medium

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 199	Pretoria West	Improve storm water drainage system.		YES	Infrastructure	Medium
MCDC / 200	Pretoria West	Improve public transport: Develop commuter infrastructure.		YES	Infrastructure	High
MCDC / 201	Pretoria West	Improve railway station.		YES	Infrastructure	High
MCDC / 204	Pretoria West	Develop shopping nodes in Atteridgeville and Lotus Gardens.	YES		Economic	High
MCDC / 206	Pretoria West	Increase fire brigade services.		YES	Human Resource Development	High
MCDC / 207	Pretoria West	Provide more police stations that are community friendly.		YES	Human Resource Development	High
MCDC / 208	Pretoria West	Environmental education centre: education in schools about toxic waste, etc.		YES	Human Resource Development & Land-use	High
MCDC / 209	Pretoria West	Develop parks.		YES	Land-use	Medium
MCDC / 210	Pretoria West	Establishment of sports and recreational facilities in Pretoria West Area.		YES	Human Resource Development & Land-use	High
MCDC / 214	Pretoria West	Improve housing, retail complexes, churches, etc. through site proper allocation.	YES		Land-use	High
MCDC / 216	Pretoria West	Rental payment offices.		YES	Human Resource Development & Land-use	High
MCDC / 217	Pretoria West	Increase efficiency in the supply of municipal services.		YES	Infrastructure	High
MCDC / 221	Pretoria West	Atteridgeville: handling of waste.		YES	Infrastructure	Medium
MCDC / 222	Pretoria West	Outfall sewer for Atteridgeville .		YES	Infrastructure	Medium
MCDC / 223	Pretoria West	Water reservoir west of Atteridgeville.		YES	Infrastructure	Medium
MCDC / 224	Pretoria West	Water supply to Atteridgeville X8 .		YES	Infrastructure	Medium
MCDC / 225	Pretoria West	Extensions of internal water and sewerage network: Atteridgeville.		YES	Infrastructure	Medium
MCDC / 226	Pretoria West	Water reservoir next to the present Lotus Gardens reservoir.		YES	Infrastructure	Medium

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 227	Pretoria West	Establish Saulsville 132/11 kV substation.		YES	Infrastructure	Medium
MCDC / 228	Pretoria West	Pretoria West power station: refurbishment of turbine 5.		YES	Infrastructure	Medium
MCDC / 230	Laudium	Voortrekkerhoogte IDP.	YES		Land-use	High
MCDC / 232	Laudium	Build day care centre in prominent work areas.		YES	Human Resource Development & Land-use	High
MCDC / 233	Laudium	Create a mobile library.		YES	Human Resource Development	High
MCDC / 234	Laudium	Assist in providing Adult Basic Education Services at various venues in Laudium.	YES		Human Resource Development	High
MCDC / 235	Laudium	Build primary and Secondary Schools in Heuweloord.		YES	Human Resource Development	High
MCDC / 236	Laudium	Home care network for the aged and disabled.		YES	Human Resource Development	
MCDC / 238	Laudium	Build old age homes.		YES	Human Resource Development	High
MCDC / 239	Laudium	Rehabilitation centres providing workshops for rehabilitation of drug addicts and alcoholics.		YES	Human Resource Development	High
MCDC / 240	Laudium	Establishment of community centres combined with a medical support centre in Laudium where a range of social services could be rendered.		YES	Human Resource Development	High
MCDC / 241	Laudium	Training centre for volunteers in basic emergency care.		YES	Human Resource Development	High
MCDC / 241	Laudium	Training centre for volunteers in basic emergency care.		YES	Human Resource Development	High
MCDC / 242	Laudium	Improve usage of Laudium hospital.		YES	Human Resource Development	High
MCDC / 243	Laudium	Provide mobile clinic for the aged.		YES	Human Resource Development	Medium
MCDC / 245	Laudium	Public transport to major points such as health services, education, workplace, etc.		YES	Infrastructure	High

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 246	Laudium	Installation of lights and robots at Skurweberg and 19th Avenue intersection.		YES	Infrastructure	Medium
MCDC / 248	Laudium	Investigate measures to improve road safety in Laudium.		YES	Infrastructure	Medium
MCDC / 249	Laudium	Need for robots and pedestrian crossings in Laudium.		YES	Infrastructure	Medium
MCDC / 250	Laudium	Improved public transport facilities, especially in Laudium.		YES	Infrastructure	High
MCDC / 251	Laudium	Need for public transport in Laudium.		YES	Infrastructure	Medium
MCDC / 252	Laudium	More business opportunities for Laudium residents especially in the White Blocks.	YES		Economic	Medium
MCDC / 253	Laudium	Development of informal business facilities with toilet facilities.		YES	Land-use	Medium
MCDC / 254	Witwatersrand	IDP for the Heuweloord node.		YES	Land-use & Economic	High
MCDC / 255	Laudium	Investigate the demand to create and/or improve security, safety and protection services and infrastructure in the Laudium area.	YES		Human Resource Development	Medium
MCDC / 256	Laudium	Informal settlement pose a major threat to security.		YES	Human Resource Development	Medium
MCDC / 257	Laudium	Visible policing needed.		YES	Human Resource Development	Medium
MCDC / 258	Laudium	Fire brigade needed.		YES	Human Resource Development	Medium
MCDC / 259	Laudium	Safety and security issue due to uncut grass.		YES	Human Resource Development	Medium
MCDC / 260	Laudium	Need for waste disposal sites.		YES	Infrastructure	Medium
MCDC / 261	Laudium	Cleaning projects with community participation.		YES	Human Resource Development	Medium
MCDC / 262	Laudium	Landscaping the entire area with trees, flowers, parks, etc; need for parks.		YES	Land-use	High

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 264	Laudium	Establishment of sports and recreational facilities in the Laudium area.		YES	Human Resource Development & Land-use	Medium
MCDC / 265	Laudium	Develop sportsground, indoor and outdoor facilities.		YES	Human Resource Development & Land-use	Medium
MCDC / 267	Laudium	Need for parks in Claudius.		YES	Land-use	Medium
MCDC / 269	Laudium	Provision of housing (complete structure with electricity and plumbing).	YES		Land-use	High
MCDC / 271	Laudium	Support for families of the unemployed.		YES	Human Resource Development	
MCDC / 272	Laudium	Upgrade housing stock towards ownership a) redesign of the 4unit family flats b) upgrading of the White Block area (problems with higher densities to be addressed).	YES		Land-use	High
MCDC / 276	Laudium	Lack of proper refuse removal service.		YES	Infrastructure	Medium
MCDC / 279	Laudium	Upgrade Claudius 132/11 kV substation.		YES	Infrastructure	Medium
MCDC / 282	Sunderland Ridge	Housing Project aimed at labour force.	YES		Land-use	Medium
MCDC / 283	Sunderland Ridge	Small Scale Farming: Feasibility Study / Investigate groundwater conditions. Possibility of agri-village.	YES		Land-use & Economic	High
MCDC / 284	Sunderland Ridge	Efficient and affordable water supply system to small scale farmers.		YES	Infrastructure & Land-use	Medium
MCDC / 286	Sunderland Ridge	Laboratory extensions: Sunderland Ridge treatment works.		YES	Infrastructure	Medium
MCDC / 287	Sunderland Ridge	Site investigation - Module 4 Sunderland treatment works.		YES	Infrastructure	Medium
MCDC / 289	Sunderland Ridge	Promote new industrialisation in the area with linkages to agro-activities, Samrand and Midrand industries.	YES		Economic	High

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 290	Hennops River Nature Area	Study addressing the environmental impact of the transportation infrastructure in the Hennops Nature Area.		YES	Infrastructure	High
MCDC / 291	Hennops River Nature Area	Small scale farming: Feasibility study / Investigate groundwater conditions. Possibility of agri-village.	YES		Land-use & Economic	High
MCDC / 293	Hennops River Nature Area	Zwartkop Park: Investigate possibility of extending/privatisation of conference facilities within the National Defence Force managed Park. Possible multi-functional use of the terrain.	YES		Land-use & Economic	Medium
MCDC / 294	Hennops River Nature Area	Formulate an Open Space Policy.	YES		Land-use	Medium
MCDC / 299	Witwatersrand	Establishment of taxi facilities in Centurion.		YES	Infrastructure	High
MCDC / 311	Witwatersrand	132 kV improvements - Centurion, NPMLC, CCP.		YES	Infrastructure	Low
MCDC / 312	Witwatersrand	132 kV extensions - Centurion, NPMLC, CCP.		YES	Infrastructure	High
MCDC / 313	Witwatersrand	Establish a landfill site at Knoppieslaagte (South of Centurion).		YES	Infrastructure	High
MCDC / 314	Witwatersrand	Garden refuse facility: Centurion.		YES	Infrastructure	Medium
MCDC / 315	Witwatersrand	Centurion transfer station .		YES	Infrastructure	Medium
MCDC / 317	MCDC	Involve public sector in preferential treatment agreements with respect to local entrepreneurs.	YES		Economic	High
MCDC / 318	MCDC	Involve females in the economy.	YES		Economic	High
MCDC / 319	MCDC	Analyse and stratify the housing need (monitor housing need, create and maintain a data bank).		YES	Land-use	Medium
MCDC / 320	MCDC	Develop a pilot high-rise housing scheme a) involve employers in assisting with housing finance b) Implementation of higher density housing project: incentives risk management.	YES		Land-use	High
MCDC / 326	MCDC	Establish an Industrial Development and Promotion Office.	YES		Economic	High
MCDC / 327	MCDC	Identify and promote industrial clusters.	YES		Economic	High
MCDC / 342	MCDC	Office development closer to lower income areas.	YES		Land-use	High

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 343	MCDC	Mix land-use development policy for MCDC.	YES		Land-use	High
MCDC / 345	MCDC	Establishing or upgrading taxi stops along the off - ramps of the PWV9 route to Midrand, Pretoria West, Akasia and Soshanguve as marketplaces for produce, consumer goods and manufacturing sectors of the informal community.	YES		Land-use	High
MCDC / 347	MCDC	Extending the public transport of the Pretoria City Council Bus service, in conjunction with other Councils, from the Pretoria CBD to Akasia, Midrand and most areas in Centurion.	YES		Land-use	High
MCDC / 350	Rosslyn	Second Satellite Taxi Training Centre on the complex of the Skills Academy Training Centre in Rosslyn.	YES		Human Resource Development	High
MCDC / 352	MCDC	A study to establish the demand for new and additional Pre-school educational facilities and/or the need to upgrade existing facilities within the total MCDC area.		YES	Human Resource Development	Medium
MCDC / 359	MCDC	Mobile clinics for the aged.		YES	Human Resource Development	High
MCDC / 360	MCDC	Investigate the demand to create and/or improve safety and protection services and infrastructure throughout the total MCDC area.	YES		Human Resource Development	High
MCDC / 361	MCDC	Develop a trauma centre and service for abused people.		YES	Human Resource Development	High
MCDC / 362	MCDC	Undertake an investigation to establish the need for additional old age homes within the MCDC (especially Soshanguve, KKG and Atteridgeville).		YES	Human Resource Development	Medium
MCDC / 363	MCDC	Undertake an investigation to establish the need for additional pension payout points within the MCDC.		YES	Human Resource Development & Land-use	High
MCDC / 364	MCDC	Establish police stations in Klip- and Kruisfontein and other fast growing areas.	YES		Human Resource Development	High

NUMBER	AREA	PROJECT	PROJECT CATEGORY		SECTOR	PRIORITY
			SUPPORT	ID NEEDS		
MCDC / 365	MCDC	Investigate the demand to create and/or improve safety and security services and infrastructure the total MCDC area .	YES		Human Resource Development	High
MCDC / 367	MCDC	A study to establish the demand for new and additional classrooms and school facilities and/or the need to upgrade existing facilities within the total MCDC area.	YES		Human Resource Development	Medium
MCDC / 368	MCDC	Undertake an analysis of the condition of existing schools to identify the need for upgrading existing educational facilities.	YES		Human Resource Development	Medium
MCDC / 370	MCDC	A detailed analysis of the need for ABET services and infrastructure should be undertaken as a joint effort with the private sector and used as a basis for planning activities. The possibility of utilising existing schools should be investigated.	YES		Human Resource Development	High
MCDC / 373	MCDC	Analysis of demographic and crime statistics, to establish priority demand for additional police stations and security services.	YES		Human Resource Development	High
MCDC / 377	MCDC	Detailed transportation model (EMME/2) for the MCDC.	YES		Infrastructure	High
MCDC / 387	MCDC	Invest in more effective rail transport links.	YES		Infrastructure	High
MCDC / 388	MCDC	Implementation of through ticketing system.	YES		Infrastructure	High
MCDC / 392	MCDC	Investigation into stated preference for transport modes within the MCDC.	YES		Infrastructure	Medium
MCDC / 396	MCDC	Traffic and pedestrian safety system within the MCDC.	YES		Infrastructure	High
MCDC / 397	MCDC	Study addressing the environmental impact of the transportation infrastructure within the MCDC.	YES		Infrastructure	High
MCDC / 398	MCDC	Establish an integrated public passenger transport time table within the MCDC.	YES		Infrastructure	High
