

List of Figures

Fig. 1.1	: Old provincial boundaries and former homelands	9
Fig. 1.2	: Study sites for sampling	12
Fig. 2.1	: Condition scoring in sheep	24
Fig. 2.2	: FAMACHA [®] anaemia guide	26
Fig. 4.1	: Strongyle faecal egg counts and haematocrits from goats at Rust de Winter	53
Fig. 4.2	: Strongyle faecal egg counts and haematocrits from goats at Site 1, Impendle	54
Fig. 4.3	: Strongyle faecal egg counts and haematocrits from goats at Site 2, Impendle	55
Fig. 4.4	: Strongyle faecal egg counts and haematocrits from goats at Kraaipan	56
Fig. 5.1	: Strongyle faecal egg counts and body condition scores for goats at Rust de Winter	64
Fig. 5.2	: Strongyle faecal egg counts and body condition scores for goats at Site 1, Impendle	65
Fig. 5.3	: Strongyle faecal egg counts and body condition scores for goats at Site 2, Impendle	66
Fig. 5.4	: Strongyle faecal egg counts and body condition scores for goats at Kraaipan	67
Fig. 6.1	: Pooled amphistome faecal egg counts for goats at Rust de Winter, Sites 1 and 2, Impendle, and Kraaipan	73
Fig. 7.1	: Strongyle faecal egg counts, haematocrits and body condition scores from sheep at Rust de Winter	83
Fig. 7.2	: Strongyle faecal egg counts, haematocrits and body condition scores from sheep at Kraaipan	84
Fig. A1.1	: Climatic data for Rust de Winter	102
Fig. A1.2	: Climatic data for Impendle	103
Fig. A1.3	: Climatic data for Kraaipan	104

Fig. A3.1	: Generic composition of nematode third-stage larvae recovered from cultures of faeces from goats at Rust de Winter	126
Fig. A3.2	: Generic composition of nematode third-stage larvae recovered from cultures of faeces from sheep at Rust de Winter	127
Fig. A3.3	: Generic composition of nematode third-stage larvae recovered from cultures of faeces from goats at Site 1, Impendle	128
Fig. A3.4	: Generic composition of nematode third-stage larvae recovered from cultures of faeces from goats at Site 2, Impendle	129
Fig. A3.5	: Generic composition of nematode third-stage larvae recovered from cultures of faeces from goats at Kraaipan	130
Fig. A3.6	: Generic composition of nematode third-stage larvae recovered from cultures of faeces from sheep at Kraaipan	131
Fig. A5.1	: Strongyle faecal egg counts and haematocrits for small ruminants at Kraaipan	151
