Search Tips

You can find researchers who have registered with ResearcherID.

To search for a researcher, enter their name. For a first name, try entering either just an initial or the entire first name. Check the "other names" checkbox to search the Other Names field for either the last name or first name search terms.

Use the wildcard character * at the end of a word to find matches with any ending (for example, Penn*).

Or, if you know it, you can enter just the researcher's ResearcherID.

Or, enter the researcher's ResearcherID: Example: A-1009-2008
