

ONDERSTEPSPOORT JOURNAL OF VETERINARY SCIENCE

VOLUME 32 (1965)

AUTHOR INDEX

	<i>Page</i>
ABRAMS, L.	
Biochemical studies on aflatoxicosis.....	119
BOTHA, J. C.	
The pathological physiology of helminth infestations. <i>I. Ostertagia circumcincta</i>	147
BROWN, J. M. M.	
Biochemical studies on aflatoxicosis.....	119
CLARK, R.	
The pathological physiology of helminth infestations. <i>I. Ostertagia circumcincta</i>	147
DU TOIT, R. M.	
Bluetongue in cattle: typing viruses isolated in cattle exposed to natural infection.....	3
GERNEKE, W. H.	
The chromosomes end neutrophil nuclear appendages of <i>Hippopotamus amphibius</i> Linnaeus	181
GROSSKOPF, J. F. W.	
Studies on salivary lipase in young ruminants.....	153
HORAK, I. G.	
The pathological physiology of helminth infestation. <i>I. Ostertagia circumcincta</i>	147
HOWELL, P. G.	
Bluetongue in cattle; typing of viruses isolated in cattle exposed to natural infections.....	3
NEITZ, W. O.	
A checklist and hostlist of the zoonoses occurring in mammals and birds in South and South West Africa.....	189
OWEN, N. C.	
Bluetongue in cattle: typing of viruses isolated in cattle exposed to natural infections.....	3
VERSTER, ANNA J. M.	
Review of <i>Echinococcus</i> species in South Africa.....	7

VOLUME 32 (1965)

SUBJECT INDEX

AFLATOXICOSIS	
Biochemical studies on aflatoxicosis.....	119
BIOCHEMICAL STUDIES	
Biochemical studies of aflatoxicosis.....	119
BIRDS	
A checklist and hostlist of the zoonoses occurring in mammals and birds in South and South West Africa.....	189
BLUETONGUE	
Bluetongue in cattle: typing of viruses isolated in cattle exposed to natural infections.....	3
