FOREWORD

This is a continuation of the “Author and Subject Index to the Onderstepoort Journal of Veterinary Science and Animal Industry (1933-1950)” and the “Onderstepoort Journal of Veterinary Research (1951-1968)” which appeared in June 1969 and covers the period 1969 to 1973, i.e. Volumes 36 to 40.

As from 1974 (Volume 41) it is intended to furnish an Author and Subject Index in **Number 4** of each volume covering all four numbers for that particular year.
