

AUTHOR INDEX.

	<i>Page.</i>
ALEXANDER, R. A., et al.	
The cytopathogenic action of bluetongue virus on tissue cultures and its application to the detection of antibodies in the serum of sheep	171
Wesselsbron virus—a virus not previously described, associated with abortion in domestic animals	183
CLARK, R., et al.	
Alterations in the blood sugar and ketone levels caused by dosing acetate, propionate and butyrate into the rumen of the sheep	101
DE KOCK, G.	
Studies on the lesions and pathogenesis of East Coast fever (<i>Theileria parva</i> infection) in cattle, with special reference to the lymphoid tissue	431
DE KOCK, G., et al.	
Studies on tuberculosis in dogs, and on a case of human tuberculosis contracted from a dog	227
DU TOIT, R., et al.	
A new method of treatment for sheep infested with the larvae of the sheep nasal-fly, <i>Oestrus ovis</i> L. in the Union of South Africa	67
The protection of sheep against blowfly strike IV. An evaluation of certain organic phosphorus compounds	77
The protection of sheep against blowfly strike V. The duration of protection of certain insecticides under field conditions	549
FIEDLER, O. G. H., et al.	
New species of sucking lice from South African game	55
A new method of treatment for sheep infested with the larvae of the sheep nasal-fly, <i>Oestrus ovis</i> L. in the Union of South Africa	67
The protection of sheep against blowfly strike IV. An evaluation of certain organic phosphorus compounds	77
The protection of sheep against blowfly strike V. The duration of protection of certain insecticides under field conditions	549
Studies on sucking lice of African mammals I. Revision of certain doubtful <i>Linognathus</i> species	583
FLANAGAN, H. O., et al.	
Bovine cerebral theileriosis. A report on two cases occurring in the Union	453
HAIG, D. A.	
Canine distemper. Immunization with avianised virus	19

	Page.
HAIG, D. A., <i>et al.</i>	
The cytopathogenic action of bluetongue virus on tissue cultures and its application to the detection of antibodies in the serum of sheep	171
The use of tissue culture propagated bluetongue virus for complement fixation studies on sheep sera	179
Wesselsbron virus—a virus not previously described, associated with abortion in domestic animals	183
JANSEN, B. C., <i>et al.</i>	
The experimental transmission of <i>Theileria ovis</i> by <i>Rhipicephalus evertsi</i>	3
A discussion on the classification of the Theileridae	7
LE ROUX, J. M. W., <i>et al.</i>	
Bovine cerebral theileriosis. A report on two cases occurring in the Union	453
Studies on tuberculosis in dogs, and on a case of human tuberculosis contracted from a dog	227
LOUW, J. G., <i>et al.</i>	
The utilization of the phosphorus from an aluminium-iron rock phosphate I. By the rat	611
The utilization of the phosphorus from an aluminium-iron rock phosphate II. By sheep	617
MALAN, J. R., <i>et al.</i>	
Alterations in the blood sugar and ketone levels caused by dosing acetate, propionate and butyrate into the rumen of the sheep	101
McINTOSH, B. M.	
Complement fixation with horse-sickness viruses	165
Immunological types of horse-sickness virus and their significance in immunization	465
McKERCHER, D. G., <i>et al.</i>	
The cytopathogenic action of bluetongue virus on tissue cultures and its application to the detection of antibodies in the serum of sheep	171
The use of tissue culture propagated bluetongue virus for complement fixation studies on sheep sera	179
NEITZ, W. O.	
A consolidation of our knowledge of the transmission of tick-borne diseases	115
Studies on the aetiology of sweating sickness	197
Theileriosis, gonderioses and cytauxzoonoses. A review	275
NEITZ, W. O., <i>et al.</i>	
The experimental transmission of <i>Theileria ovis</i> by <i>Rhipicephalus evertsi</i>	3
A discussion on the classification of the Theileridae	7
REINACH, N., <i>et al.</i>	
The utilization of the phosphorus from an aluminium-iron rock phosphate I. By the rat	611
The utilization of the phosphorus from an aluminium-iron rock phosphate II. By sheep	617
SALISBURY, LOIS, E., <i>et al.</i>	
Zoological survey of the Union of South Africa. Tick Survey. Part X. Distribution of <i>Margaropus winthemi</i> , the winter horse tick	599
Zoological survey of the Union of South Africa. Tick Survey. Part XI. Distribution of <i>Otobius megnini</i> , the spinose ear tick	605

	Page.
SHONE, D. K., <i>et al.</i>	
The use of tissue culture propagated bluetongue virus for complement fixation studies on sheep sera	179
STAMPA, S., <i>et al.</i>	
New species of sucking lice from South African game	55
The protection of sheep against blowfly strike V. The duration of protection of certain insecticides under field conditions	549
Studies on sucking lice of African mammals I. Revision of certain doubtful <i>Linognathus</i> species	583
THEILER, GERTRUD.	
Zoological survey of the Union of South Africa. Tick Survey Part IX. The distribution of the three South African Hyalommas or bontpoots	239
THEILER, GERTRUD, <i>et al.</i>	
Ticks in the South African Zoological Survey collection VIII. Two East African ticks	83
Zoological Survey of the Union of South Africa. Tick Survey, Part X. Distribution of <i>Margaropus winthemi</i> , the winter horse tick	599
Zoological Survey of the Union of South Africa. Tick Survey, Part XI. Distribution of <i>Otobius megnini</i> , the spinose ear tick	605
VAN DRIMMELEN, G. C.	
Strain 19 Brucella vaccine I. Production of vaccine by the shake-flask technique ...	205
Strain 19 Brucella vaccine II. The preparation of freeze-dried live vaccine ...	215
Strain 19 Brucella vaccine V. Mass production in the Brucella Vortex Aerated Culture apparatus	539
WALKER, J. B. (Miss), <i>et al.</i>	
Ticks in the South African Zoological Survey collection VIII. Two East African ticks	83
WEISS, K. E., <i>et al.</i>	
Wesselsbron virus—a virus not previously described, associated with abortion in domestic animals	183
WILEY, A. J., <i>et al.</i>	
Ticks in the South African Zoological survey collection VIII. Two East African Ticks	83
