

Onderstepoort Journal of Veterinary Research.

Volume 26

AUTHOR INDEX.

	<i>Page.</i>
ALEXANDER, R. A., <i>et al.</i>	
Isolation in mice and embryonated hen's eggs of a virus associated with vaginitis of cattle ... ..	479
CLARK, R.	
A study of the water-soluble phosphate concentration of the ruminal contents in normal and phosphorus deficient animals ... ..	137
CLARK, R., <i>et al.</i>	
Studies on the comparative actions of carbamylcholine, physostigmine and neostigmine in different species of domestic animals ... ..	485
DE KOCK, GILLES.	
Studies on the histo-pathology and pathogenesis of Newcastle disease of fowls in South Africa, with special reference to the lymphoid tissue ... ..	599
DENT, JOAN, <i>et al.</i>	
The stability of neurotropic African horsesickness virus in solutions of different chemical compositions ... ..	197
DU TOIT, R.	
Trypanosomiasis in Zululand and the control of tsetse flies by chemical means ...	317
DU TOIT, R., <i>et al.</i>	
The protection of sheep against blowfly strike I. An evaluation of certain organic insecticides ... ..	65
Report on the value of Isodrin and Endrin as potential protecting agents against blowfly strike in sheep ... ..	221
An evaluation of the acaricidal properties of Aldrin and Dieldrin for the control of sheep scab ... ..	225
The influence of the tsetse fly eradication campaign on the breeding activity of Glossinae and their parasites in Zululand ... ..	389
The protection of sheep against blowfly strike II. The influence of the length of wool at the time of treatment on the duration of protection ... ..	405
The protection of sheep against blowfly strike III. The effect of different formulations of gamma benzene hexachloride (B.H.C.) ... ..	409
The effect of Lindane vapour on stored product insects ... ..	431
FIEDLER, O. G. H.	
A new African tick parasite, <i>Hunterrellus theileri</i> sp. n. ... ..	61
A new African louse fly, <i>Raymondia hardyi</i> sp. n. ( <i>Streblidae</i> , <i>Pupiara</i> ) ... ..	427

FIEDLER, O. G. H., <i>et al.</i>	
The protection of sheep against blowfly strike I. An evaluation of certain organic insecticides .....	65
Report on the value of Isodrin and Endrin as potential protecting agents against blowfly strike in sheep .....	221
An evaluation of the acaricidal properties of Aldrin and Dieldrin for the control of sheep scab .....	225
The influence of the tsetse fly eradication campaign on the breeding activity of Glossinae and their parasites in Zululand .....	389
The parasites of tsetse flies in Zululand with special reference to the influence of the hosts upon them .....	399
The protection of sheep against blowfly strike II. The influence of the length of wool at the time of treatment on the duration of protection .....	405
The protection of sheep against blowfly strike III. The effect of different formulations of gamma benzene hexachloride (B.H.C.) .....	409
The effect of Lindane vapour on stored product insects .....	431
FOURIE, P. J. J.	
Comparative intradermal tests between concentrated P.P.D. and diluted P.P.D. tuberculins in relation to non-specific tuberculin reactors .....	207
Does bovine congenital porphyrinuria (pink tooth) produce clinical disturbances in an animal which is protected against the sun? .....	231
GROENEWALD, J. W., <i>et al.</i>	
The Onderstepoort small animal colony .....	149
The influence of enrichment of maize meal on the growth of rats .....	235
HAIG, D. A., <i>et al.</i>	
Isolation in mice and embryonated hen's eggs of a virus associated with vaginitis of cattle .....	479
HENNING, M. W.	
Calf paratyphoid I. A general discussion of the disease in relation to animals and man .....	3
Calf paratyphoid II. Artificial immunization .....	25
Calf paratyphoid III. The transmission of antibodies to newly born calves ...	45
JACKSON, CECIL.	
Studies in comparative neuropathology I. Gliomas of the domestic fowl: their pathology with special reference to histogenesis and pathogenesis; and their relationship to other diseases .....	501
JANSEN, B. C.	
The parasitocidal effect of aureomycin (Lederle) on <i>Babesia equi</i> (Laveran 1899) in <i>splenectomised</i> donkeys .....	175
KLUGE, E. B., <i>et al.</i>	
The influence of the tsetse fly eradication campaign on the breeding activity of Glossinae and their parasites in Zululand .....	389
The parasites of tsetse flies in Zululand with special reference to the influence of the hosts upon them .....	399
LAWRENCE, S. M., <i>et al.</i>	
The stability of neurotropic African horsesickness virus in solutions of different chemical compositions .....	197
LOUW, P. G. J.	
The cardiac glycoside from <i>Urginea rubella</i> Baker, Part II. Hydrolysis of rubellin and pro-rubellin .....	141
McINTOSH, B. M.	
The isolation of virus in mice from cases of horsesickness in immunized horses ...	183

MCINTOSH, B. M., <i>et al.</i>	
Isolation in mice and embryonated hen's eggs of a virus associated with vaginitis of cattle .....	479
MYBURGH, S. J., <i>et al.</i>	
The influence of enrichment of maize meal on the growth of rats .....	235
POLSON, A., <i>et al.</i>	
The stability of neurotropic African horsesickness virus in solutions of different chemical compositions .....	197
QUINLAN, J. B., <i>et al.</i>	
The Onderstepoort small animal colony .....	149
ROBINSON, BRITHA N., <i>et al.</i>	
Zoological Survey of the Union of South Africa. Tick Survey, Part VII. Distribution of <i>Haemaphysalis leachi</i> , the yellow dog tick .....	83
Ticks in the South African Zoological Survey Collection, Part VII. Six lesser known African rhipicephalids .....	93
Tick Survey VIII. Check lists of ticks recorded from the Belgian Congo, and Ruanda Urundi, from Angola, and from Northern Rhodesia .....	447
SWART, P. J.	
The identity of so-called <i>Paramphistomum cervi</i> and <i>P. explanatum</i> , two common species of ruminant trematodes in South Africa .....	463
THEILER, GERTRUD, <i>et al.</i>	
Zoological Survey of the Union of South Africa. Tick Survey, Part VII. Distribution of <i>Haemaphysalis leachi</i> , the yellow dog tick .....	83
Ticks in the South African Zoological Survey collection, Part VII. Six lesser known African rhipicephalids .....	93
Tick Survey VIII. Check lists of ticks recorded from the Belgian Congo and Ruanda Urundi, from Angola, and from Northern Rhodesia .....	447
VAN HEERDEN, J. S., <i>et al.</i>	
Infertility in mares caused by ovarian dysfunction .....	285
VAN RENSBURG, S. W. J., <i>et al.</i>	
Infertility in mares caused by ovarian dysfunction .....	285
VAN ROOY, P. J., <i>et al.</i>	
The stability of neurotropic African horsesickness virus in solutions of different chemical compositions .....	197
WEISS, K. E.	
The significance of reflex salivation in relation to froth formation and acute bloat in ruminants .....	241
Physiological studies on eructation in ruminants .....	251
WEISS, K. E., <i>et al.</i>	
Studies on the comparative actions of carbamylcholine, physostigmine and neostigmine in different species of domestic animals .....	485
WILSON-JONES, G., <i>et al.</i>	
The Onderstepoort small animal colony .....	149
