Dear Cleland,

Your Caledonian Society consulted me about a sculptor for the Livingstone statue at the Victoria Falls and they have now appointed Reid Dick, R.A. who is going out by next week's mail. He will be in touch in Johannesburg with Mr Lowe, the Chairman of the Society; I do not quite know whether Dalrymple will have returned to be his host. In any case I want him to go to Pretoria and am giving him an introduction to you in the hope that you will be able to show him over the Union Buildings and anything else he ~~asks~~^{should} to see. He is a very efficient sculptor and a very good fellow. I should like to be present when he criticises the sculpture of the Delville Wood Monument!

Yours sincerely,

Herbert Baker
