

He was also the Founder of Draught Surveying.

The Arch. pergenia was had in 1898. Prof. improperly kept such Draughts as there were - unless - as "40 squares of Corn. Iron Roofing with timber" etc.

The fairer got Mr. Babbs out to them on contract & after a while J.M. said. Babbs you are under contract to us & that contract we need to be carried out. But get out of our office. set up one of your own - & practice on your own. Babbs was the first D.S. in S. D.

I can tell you lots more. When do you want the information? I would like to take 2 or 3 months over it - getting my typist to take down incidents as I remember them from time to time.

Yours

Dr. W. Massey.

on Heraldry. Of course the Lion Rampant within a red double tressure flory counter flory first used by Alex III. 1249 1286 is the Royal Arms of Scotland & the possession of the King. Many took fly this thinking it is the Flag of Scotland. which is the St. Andrew Cross. took in B.F. were very angry once when I mentioned this. Feb "He who usurps his Prince's Arms loses his head" is recorded in Mackenzie's "Science of Heraldry." 1880.
