

and very ably assisted by Catechist William  
Mihlanga of 24 Rivers & Catechist Paul  
Kuhimela.

The Church is 55' by 25', has an  
apse at the East End and a high-  
pitched and dignified thatched roof. Its  
most striking feature is a stone altar,  
well-proportioned and with a rugged  
stone cross in the centre, very much  
in keeping with its Bushveld surroundings,  
where the Church stands out as a  
beautiful monument to the love and  
devotion of all who have helped in  
the building of it.

The service commenced with a  
procession round the grounds accompanied  
by beautiful singing, led by a well-  
trained choir from 24 Rivers. After the  
Dedication, twenty-three people ~~were~~  
received the Sacrament of Confirmation,  
followed by Mass at which the newly  
confirmed made their first ~~and~~  
Communion in the presence of a  
congregation of two hundred people.
