Dear Bishop,

For some time the family  
have been distressed by the sad state  
of the Saastuang carpet in the church (St.  
John the Baptist at Rivers) & Yalini & Mother  
brought a new one to be dedicated - To the  
Glory of God & in loving memory  
of Elizabeth Clarke & in gratitude of fifty  
years happy married life.

The carpet came much sooner than they  
expected & we were able to put it into  
the church on the anniversary of my father's  
birthday & on Easter Day. as to whether it is

I am rather vague if it is necessary  
or not to obtain a faculty when  
replacing a worn article in a church  
so I hope we have not & I should be  
grateful if you could advise me & if  
it is necessary grant the former permission

Yours sincerely
