Mrs. M. R. Peacock,  
P.O. XXIV River  
Waterberg.

Dear Madam,

We are obliged for your letter of the 21st.  
Do we understand that we should have the Font put in  
hand at once so that it may be ready to rail as soon  
as transport is forthcoming? or, do you wish us to allow  
the whole matter to stand over for the time being? The  
Font, of course, could lie in the Stone Mason's yard  
without expense to you until you could send word that it  
should be put on rail.

We will do nothing until we hear from you  
again.

Yours faithfully,

*Herbert Fleming.*
