

# CURRICULUM VITAE

**C M ("Tubby") VEARY**

## **POSITION:**

Professor: Department of Paraclinical Sciences  
(Veterinary Public Health)

Faculty of Veterinary Science

Private Bag X04

ONDERSTEPSPOORT

0110

Republic of South Africa

E-mail: tubby.veary@up.ac.za

Voice-mail: (012) 529 8015

Facsimile: (012) 529 8311

## **QUALIFICATIONS:**

- 1956 - Matriculated at St John's College, Johannesburg
- 1957 - Post-matriculation at St John's College
- 1963 - Obtained BVSc, University of Pretoria
- 1978 - Obtained Diploma in Veterinary Public Health, University of Pretoria (DVPH)
- 1991 - Obtained MMedVet(Hyg) degree, University of Pretoria
- 1995 - Reciprocal registration Royal College of Veterinary Surgeons (RCVS) - MRCVS

## **EXPERIENCE:**

- 1964-1969 Assistant in private practices in Johannesburg and Durban in predominantly small animal practice
- 1969-1975 Veterinary Meat Hygiene Officer, Durban Abattoir Employed by the Durban City Council
- 1975-1979 State Veterinarian, Durban Abattoir
- 1968-1979 Registered with the Jockey Club of South Africa as a race course veterinarian: Greyville and Clairwood Park courses, Natal
- 1979-1982 Transferred to the Natal Regional Office in Pietermaritzburg as Regional Meat Hygiene Officer for the Province of Natal
- 1982-1985 Transferred to the Transvaal Regional Office as Regional Director, Meat Hygiene, Transvaal
- 1985-1991 Associate Professor Department of Veterinary Public Health, Faculty of Veterinary Science, Onderstepoort
- 1992-1995 Professor and Acting Head: Department of Veterinary Public Health, Faculty of Veterinary Science, Onderstepoort
- 1995-1999 Professor and Head: Department of Animal and Community Health
- 1999-2004 Professor: Speciality direction: Meat Hygiene and Hazard Analysis (HACCP)  
Subject Co-ordinator: Veterinary Public Health. Retired 2004
- 2005-date Professor: Speciality direction: Meat Hygiene and Hazard Analysis (HACCP)  
Contracted to assist on an annual basis
- 1998 Invited external examiner in Veterinary Public Health, Veterinary Faculty, University of Zambia, Lusaka
- 2004-2005 Consultant: Meat Quality Improvement Strategy: Uganda. Africa Union – Inter-African Bureau for Animal Resources (AU/IBAR): DANIDA funded

## **AFFILIATION:**

- Life Vice President of the South African Veterinary Association

- Life Member of the South African Veterinary Association Federal Council
- 1971 to 1996: Member of the Board of Trustees of the South African Veterinary Foundation
- 1989 to date: South African Veterinary Association representative on the World Association of Veterinary Food Hygienists
- 1989 to 1997: South African Veterinary Association representative on the Community Health Association of Southern Africa (CHASA) General Council [Dissolution 1997]
- 1989 to 1997: Member of the Executive Committee of the Community Health Association of Southern Africa (CHASA)
- 1990 to 1997: Member of the Editorial Committee of the official scientific journal of CHASA - Journal of Comprehensive Health
- 1996 to 1997: Elected member of the Executive Committee of the Community Health Association of Southern Africa (CHASA) and honorary Treasurer
- 1990 to 1992: South African Veterinary Association representative on the Education Committee of the South African Veterinary Council
- 1992 to 2004: Elected Councillor: South African Veterinary Council (four terms)
- 1992 to 2004: Chairperson: Education Committee of the South African Veterinary Council
- 1996 to 1998: Member: Committee on Specialisation of the South African Veterinary Council
- 1993 to 2002: Member - Editorial Advisory Board: Preventive Veterinary Medicine (an international journal on research and development in veterinary epidemiology, animal disease prevention and control, and animal health economics). Reinstated 2004 electronically
- 1998 to date: Red Meat Abattoir Association representative on the South African Red Meat Research and Development Trust

#### **INVOLVEMENT IN ACADEMIA (Outside of current position)**

- |           |   |
|-----------|---|
| 1996/1997 | South African Veterinary Council representative on the National Commission for Higher Education investigating transformation in the South African Higher Education system |
| 1996/1997 | Moderator: Northern Transvaal Technikon: Food Hygiene III examination   |
| 1995/1996 | Invited by the Certification Council for Technikon Training (SERTEC) as evaluator of the Pretoria Technikon B Tech, M Tech and D Tech in Veterinary Technology            |
| 1994-2005 | Examination Officer, Foreign Graduate Registration Examinations, South African Veterinary Council   |
| 1992-1995 | Professor, Dept Veterinary Public Health, Faculty Veterinary Science, Onderstepoort   |
| 1985-1991 | Associate Professor Dept Veterinary Public Health, Faculty Veterinary Science, Onderstepoort  |
| 1986-1987 | Associate Professor Legislation and Poultry Meat Hygiene, Dept of Infectious Diseases and Public Health, Medunsa  |
| 1986-2001 | Guest Lecturer MBChB IV Department of Community Health, University of Pretoria  |
| 1986-2001 | Lecturer in Diploma in Community Health and in Diploma in Tropical Medicine (Meat Hygiene) Medical School, University of Pretoria   |
| 1981-1985 | External Examiner in Veterinary Public Health, Dept Veterinary Public Health, Faculty Veterinary Science, Onderstepoort   |
| 1983-1991 | Examiner: South African Veterinary Council - for restricted registration in Meat Hygiene  |
| 1989      | Moderator and External examiner: SA Veterinary Council for restricted registration in Regulatory Services   |

- 1987-1998 External examiner Veterinary Jurisprudence and Ethics BVSc: Department of Veterinary Tropical Diseases, Faculty Veterinary Science, Onderstepoort
- 1987 Appointed Moderator for the examination Meat Hygiene Diploma in Public Health, Dept of National Education
- 1986 External examiner Dissertation MMedVet(Hyg) Denise N Lloyd Antimicrobial Residues in Muscles and Kidneys of slaughtered Pigs. Department of Veterinary Public Health, University of Pretoria
- 1991 External examiner Dissertation MDipTech Mr K Maclean Die Voorkoming van Salmonellae in 'n Varkabattoir. Technikon Witwatersrand.
- 1992 External examiner Dissertation MSc(Agric) Mr HK Stassen Leg Weakness in Swine and Articular Cartilage Development in Indigenous Black and Large White X SA Landrace Boars
- 1992 Promoter and internal examiner Dissertation MMedVet(Hyg) Hung-Wei Lee An Abattoir Investigation into the Tail Biting Syndrome in Pig Carcasses from Selected Problem Herds. Department of Veterinary Public Health, University of Pretoria
- 1997 Co-promoter and internal examiner Dissertation MSc (Microbiology) Maretha Olivier  
Microbiological status of selected chicken carcasses from a non-automated poultry processing plant. Department of Animal and Community Health, University of Pretoria
- 2000 Promoter and internal examiner Dissertation MMedVet(Hyg) Marianne More O'Ferrall-Berndt A Comparison of Selected Public Health Criteria in Milk from Milk-Shops and from a National Distributor (with distinction). Department of Production Animal and Community Health, University of Pretoria
- 2001 Promoter and internal examiner Dissertation MMedVet(Hyg) Musafiri Karama The Microbial Quality of Ostrich Carcasses Produced in a South African Export-approved Ostrich Abattoir (with distinction). Department of Paraclinical Sciences
- 2003 Promoter and internal examiner Dissertation MMedVet(Hyg) Joanne Kyozaire The Microbial Quality of Goat Milk Obtained Under Different Production Systems. Department of Paraclinical Sciences
- 2005 Promoter and internal examiner Dissertation MSc (Microbiology) Antje Bartkowiak-Higgo A Survey of Post-evisceration Contamination of Broiler Carcasses and Ready to Sell Livers and Intestines (Mala) with *Campylobacter jejuni* and *Campylobacter coli* in a High Throughput South African Poultry Abattoir. Department of Paraclinical Sciences
- 2006 External examiner: Dissertation Magister Technologiae (Environmental Health) (MTech) M van der Merwe The survival potential of *Mycobacterium bovis* in secondary processed game meat. Tshwane University of Technology.
- 2006 External examiner: Dissertation Magister Technologiae (Environmental Health) (MTech) J E van der Walt Microbiological quality of raw fresh beef post-harvesting. Tshwane University of Technology.

## PUBLICATIONS

### Scientific

- Assessment of Veterinary Education in South Africa: A Review: Opening Speech: Third Faculty Day, Faculty of Veterinary Science, Onderstepoort, Journal of the South African Veterinary Association - volume 58, pages 55-57, 1987

- Haemophilus Pleuropneumoniae in Pigs: a Review, Journal of the South African Veterinary Association - Volume 60(1), pages 56-61, 1989
- Modular Herd Control of Mastitis. Volume 1 Journal of the South African Veterinary Association. Special volume pages 1-74, 1989. Editor
- Modular Herd Control of Mastitis. Volume 2 Journal of the South African Veterinary Association. Special volume pages 1-66, 1989 Editor
- Modular Herd Control of Mastitis: Opening Address Special volume 2. Journal of the South African Veterinary Association, pages 5-7, 1989
- Modular Herd Control of Mastitis. Volume 3 Journal of the South African Veterinary Association. Special volume pages 1-50, 1989 Editor.
- Arthritis in Slaughter Pigs Journal of the South African Veterinary Association Volume 62(3), pages 107-109, 1991 Co-author
- Co-author: 1993 High precision profiling of volatiles from raw meat. Archiv für Lebensmittelhygiene 44: 81-104
- Co-author: 1996 Microbiological status of selected chicken carcasses from a non-automated poultry processing plant. J. Basic Microbiology. 36.1: 41-49
- Healthy Animals, Safe Products, a Healthier Community. Journal of the South African Veterinary Association, volume 69(2) pages 66-71, 1998
- The Microbial Quality of Goat Milk Obtained Under Different Production Systems. Journal of the South African Veterinary Association, volume 76(2) pages 69-73, 2005
- A Pilot Study on Post-evisceration Contamination of Broiler Carcasses and Ready to Sell Livers and Intestines (Mala) with *Campylobacter jejuni* and *Campylobacter coli* in a High Throughput South African Poultry Abattoir. Journal of the South African Veterinary Association, volume 77(3) pages 114-119, 2006

#### Popular

- Interpretation of Poultry Abattoir legislation. Plumvee/Poultry Bulletin August 1986 pages 346-352
- Examination and Grading of the Poultry Carcase. Plumvee/Poultry Bulletin October 1987 pages 538-543
- Potential Dangers of Food borne Diseases Plumvee/Poultry Bulletin July 1989, pages 386, 387, 390, 391, 394, 395
- Preventive Quality Assurance Plumvee/Poultry Bulletin October, 1989 pages 562-563
- Don't Kiss Your Pet (Pet-related Zoonoses: How are Humans affected in Urban areas?) Muniviro: Managing the Urban Environment Volume 10 No 2 May 1993, pages 8-10
- The Role of the Veterinarian in Community Health Archimedes Volume 36 No 2 May 1994 pages 3-7
- Implementing a Food Safety Programme (HACCP System) in Poultry Abattoirs. Poultry Bulletin. October, 1994: pp.449-457

#### **DISSERTATION:**

The Effect of Three Slaughter Methods and Ambient Temperature on the pH and Temperatures in Springbok (*Antidorcas marsupialis*) Meat April 1991

#### **INAUGURAL ADDRESS:**

Healthy Animals, Safe Products, a Healthy Community April 1997 on acceptance of the Professorship and Head, Department of Animal and Community Health, Faculty of Veterinary Science, Onderstepoort

#### Book reviews

- 1988 Meat Hygiene J.F. Gracey  
1989 Food Irradiation: A Technique for Preserving and Improving the Safety of Food. World Health Organisation Publication  
1991 Member of Review Panel: Food Safety and Quality Assurance: Foods of Animal Origin W.T. Hubbert, H.V. Hagstad and Elizabeth Spangler  
2005 Emerging Zoonoses and Pathogens of Public Health Concern: Scientific and Technical Review. World Organisation for Animal Health (OIE) Bernard Vallant, Director General of the OIE

#### Chapters for Books

- 1990 Contribution on Meat Hygiene to the text book Health Intervention Strategies in Community Health compiled by the Department of Community Health, Medical University of Southern Africa: Professor PWW Coetzer  
1994 HENTON, M.M., VEARY, C.M., Porcine pleuropneumonia. *Infectious diseases of livestock*. Oxford University Press, Cape Town. Chapter 139: pp.1157-1163  
1997 BENGIS, R.G., VEARY, C.M., Public health risks associated with the utilisation of wildlife products in certain regions of Africa. *Contamination of animal products: prevention and risks for public health*. OIE Scientific and Technical Review. Volume 16 (2): pp 586-593  
2004 MICHEL, A.L., MEYER, S, McCRINDLE, C.M.E., VEARY, C.M. Community- Based Veterinary Public Health Systems in South Africa: Current Situation, Future Trends and Recommendations. *Expert Consultation on Community-Based Veterinary Public Health Systems*. FAO Animal Production and Health Proceedings, Rome 2004: pp71-78

#### Articles Refereed

- 1990  Journal of the South African Veterinary Association: Two articles  
 CHASA Journal of Comprehensive Health: Two articles  
 Veterinary Medicine: Two articles  
 South African Journal of Science: One article  
1991  Journal of the South African Veterinary Association: One article  
 South African Journal of Animal Science: Two articles  
1993  South African Journal of Animal Science: Two articles  
1994  Preventive Veterinary Medicine: Four articles  
1995  Preventive Veterinary Medicine: Three articles  
1996  Preventive Veterinary Medicine: Four articles  
1997  Preventive Veterinary Medicine: Four articles  
1998  Preventive Veterinary Medicine: Five articles  
1999  Preventive Veterinary Medicine: Five articles  
2000  Preventive Veterinary Medicine: Three articles  
2001  Preventive Veterinary Medicine: Five articles  
2003  Journal of the South African Veterinary Association: One article  
2004  Journal of the South African Veterinary Association: One article  
2005  Preventive Veterinary Medicine: One article  
2006  Preventive Veterinary Medicine: One article

## LAY PRESENTATIONS

- \* Gambier Poultry: Poultry Day 1986: Legislation
- \* S A Poultry Association: Abattoir day 1987: Carcase down-grading
- \* Renown Pork Packers: Abattoir day 1987: Report on condemnations and a warning on *Erysipelothrix rhusiopathiae*
- \* Farmers' Study Group: Warmbaths 1987: A résumé on Parafilaria.
- \* Pyramid Abattoir: Information Day 1991: Food borne Diseases and Intoxications
- \* Pretoria Municipality Information Day 1993: The Role of Meat in Food borne Disease
- \* Food associated zoonoses and community health. Planning Meeting: Food Control Committee: Environmental Health Officers' Association: Loskop dam. 8-9 March, 1994
- \* Veterinary perspective on environmental health: Environmental health and the veterinarian. Environmental Health Symposium. Department of Community Health, Medical University of Southern Africa, University of the Witwatersrand and University of Pretoria and the Department of Veterinary Public Health, University of Pretoria, 25 March 1994
- \* HACCP and sanitation in the food industry. *Proceedings: Understand Your Food Act.* Faculty of Veterinary Science, Onderstepoort. 18-19 May, 1994: pp.46-48
- \* Implementing a food safety programme (HACCP) in poultry abattoirs. Abattoir Day: South African Poultry Association, Irene Animal Production Institute, Irene. 1 September, 1994.
- \* Health Workshop: Precautions in the harvesting of venison. Witwatersrand Medical Command, Mabalingwe. 10-13 October, 1994.
- \* Health Workshop: HACCP and Quality Assurance. Witwatersrand Medical Command, Mabalingwe. 10-13 October, 1994
- \* Health Workshop: The slaughter process in rural disadvantaged areas. Witwatersrand Medical Command, Mabalingwe. 10-13 October, 1994.
- \* South African Veterinary Association: Poultry Group: Application of HACCP in poultry abattoirs. 22 March, 1995.
- \* Directorate: Veterinary Public Health, Mpumalanga, Poultry Abattoir Day: A practical application of HACCP in poultry abattoirs. 22 October, 1998.

## NATIONAL CONGRESSES

- SA Poultry Association: Congress 1989: Speech - Potential Dangers of Food-borne Diseases
- National Congress for students of South Africa in the Medical Sciences, 1989  
Speech - The Role of Veterinary Science in the Health Team
- South African Veterinary Association Biennial Congress 1990: Chairman - Veterinary Public Health Session
- South African Grasslands Society in conjunction with the Transvaal Game Association: Congress 1991: Speech - Constraints in the Marketing of Venison
- South African Veterinary Nurses Association Fourteenth Annual Congress 1992: Speech - Zoonoses and Veterinary Public Health
- South African Poultry Association: Congress 1996: Speech - HACCP in the Poultry and Egg Industries. 13 May, 1996.
- Red Meat Abattoir Association: Congress 1998: Speech - Research: progress and requirements of the abattoir industry. 18-20 March, 1998.
- South African Feedlot Association: Congress 1999: Speech - Meat quality: does the abattoir play a role? 23-25 March, 1999
- Red Meat Abattoir Association: Congress 1999: Speech - Research: the role of abattoir data in the red meat industry. 19-21 May, 1999.
- Red Meat Abattoir Association: Congress 2000: Speech – Legislation and the abattoir industry. 17-19 May, 2000.
- Red Meat Abattoir Association: Congress 2001: Speech – Meat quality: does the abattoir play a role? 9-11 May, 2001

## **WORKSHOPS**

- 1988 Session Chairman Community Health Association of Southern Africa Workshop - Communication in Community Health
- 1988 Chairman and convenor Mastitis Workshop: Modular Herd Control of Mastitis. Second National Symposium of the SAVA: Pietermaritzburg, July
- 1989 Merck Neurocysticercosis Workshop: Speaker: *Taenia solium*: Veterinary Public Health Aspects February
- 1989 Early Bird Farm (Pty) Ltd: Quality Control Workshop: Speaker - Broiler Hygiene Legislation and Food Safety. April
- 1989 Beecham Animal Health: Workshop - The Role of Beecham Animal Health in Effective Mastitis Control: Speaker - Review and Resolutions of the 1988 SAVA Mastitis Workshop. April

- 1990 Zoological Society of Southern Africa and Eastern Cape Game Management Association: Springbok Workshop: Invited Speaker - The Effect of Meat Harvesting Methods and Ambient Temperature on Carcase Temperature and pH in Springbok
- 1991 Directorate Meat Hygiene: Workshop - Hygiene and Slaughter Practices in Third World Abattoirs. Badplaas. Invited Speaker
- 1991 Department of Veterinary Public Health (in conjunction with Agricor): Workshop - Hygiene and Slaughter Practices. Abattoir owners, Moretele District. Main organiser and speaker
- 1993 Department of Veterinary Public Health (in conjunction with Food Hygiene Section, Onderstepoort Veterinary Institute): Speaker Workshop- Veterinary Environmental Hygiene: Zoonoses in Environmental Hygiene
- 1993 Department of Veterinary Public Health (in conjunction with the Public Health Group, South African Veterinary Association): Workshop - Health and the Veterinarian: Speaker - Safe Food
- 1994 Department of Veterinary Public Health (in conjunction with the Department of Health): Course - Understand your Foodstuffs Act: Organiser and Editor-in-Chief of the Proceedings
- 1995 Department of Veterinary Public Health (in conjunction with the Medical Research Council): Workshop - Laboratory Animal Science, Faculty of Veterinary Science 75th Anniversary, 27 September, 1995: Organiser and Editor-in-Chief of the Proceedings
- 1996 Milk Board: South African Milk Quality Forum: Good Safe Milk: a Constitutional Right, 11 & 12 June, 1996: Invited Session Chairman: Establishing Effective Health Standards and Quality Control
- 1997 Directorate: Veterinary Public Health, National Department of Agriculture: Workshop - Institutional Arrangements for the Delivery of Food Inspection Services in South Africa, CSIR Conference Centre, Pretoria, South Africa 28-29 October 1997: Invited Speaker: The future of food inspection services - a possible scenario
- 1999 Fort Hare: Workshop – Food Security, East London, South Africa 13-15 July 1999. Invited participant
- 2000 CSIR: Food Science and Technology - a Practical Approach to HACCP, Pretoria, South Africa 17-18 August 2000. Delegate
- 2000 FAO Technical Workshop: Strengthening the National Codex Alimentarius Committee, Onderstepoort, Pretoria, South Africa 5-7 September 2000. Invited participant
- 2000 School of Veterinary Medicine, University of Zambia, Lusaka: Training Course: Diagnosis, Control and Prevention of Livestock Diseases (Zoonoses Module) 8-16 November 2000. Invited Resource Person
- 2001 VPH and Food Safety Workshop, School of Veterinary Medicine, University of Zambia, Maputo, Mozambique 15-19 January 2001

- 2002 Codex Alimentarius Commission: Eighth Session of the Codex Committee on Meat and Poultry Hygiene: Wellington, 18-22 February 2002: Member South African Delegation
- 2003 Codex Alimentarius Commission: Ninth Session of the Codex Committee on Meat and Poultry Hygiene: Wellington, 17-21 February 2003: Member South African Delegation
- 2003 FAO/WHO Workshop: Food Control Systems – Practical Approaches in the Southern African Region, CSIR Conference Centre, Pretoria, South Africa 1 September 2003: Delegate
- 2004 Ugandan Meat Industry Stakeholders Workshop: Meat Quality Improvement Strategy: Uganda. Africa Union – Inter-African Bureau for Animal Resources (AU/IBAR): DANIDA funded, Entebbe, Uganda 14 December 2004

## INTERNATIONAL CONGRESSES

- 1989 The World Association of Veterinary Food Hygienists Tenth Jubilee International Symposium, Stockholm, Sweden, July 1-7, 1989: Speaker  
Effect of Three Slaughter Methods and Ambient Temperature on pH and Temperature in Springbok (*Antidorcas marsupialis*) Meat
- 1990 First International Congress "CHASA in Action" Optimal Health for All. Sun City 18-20 June 1990 Speaker: Neurocysticercosis, Community Health and the Veterinarian Chairman Breakaway Session: CHASA's Role in the Promotion of Environmental Hygiene and Health.
- 1991 Pan Pacific Conference on Veterinarians and the Environment. Darling Harbour, Sydney May 12-17 1991 Invited Speaker in the session Deer  
a) The Effect of Slaughter Methods and Ambient Temperature on Springbok Meat  
b) Wildlife Ranching and Meat Production: a Global Overview.
- 1992 Second International Congress "CHASA in Action" Optimal Health for All. Speaker: The Role of Diptera in Zoonoses: an African Perspective
- 1993 The World Association of Veterinary Food Hygienists Eleventh International Symposium, Bangkok, Thailand, October 24-29, 1993: Speaker: A Post Slaughter Investigation into the Tail Biting Syndrome in Pig Carcasses from Selected Problem Herds
- 1993 The World Association of Veterinary Food Hygienists Eleventh International Symposium, Bangkok, Thailand, October 24-29, 1993: Speaker: The Application of the HACCP Principle in a Large Rural Poultry Abattoir in the Republic of South Africa
- 1993 The World Association of Veterinary Food Hygienists Eleventh International Symposium, Bangkok, Thailand, October 24-29, 1993: Session Chairman: Food Residues and Toxicology (an emphasis on aflatoxins)
- 1997 The World Association of Veterinary Food Hygienists Twelfth International Symposium, Den Haag, The Netherlands, August 24-29, 1997: Poster: Microbiological status of selected chicken carcasses from a non-automated poultry processing plant. Presenter and Co-author

- 1997 The World Association of Veterinary Food Hygienists Twelfth International Symposium, Den Haag, The Netherlands, August 24-29, 1997: Poster: Revisiting abattoir principles in a transforming South Africa: a meat hygiene dilemma? Presenter and Author
- 1997 The World Association of Veterinary Food Hygienists Twelfth International Symposium, Den Haag, The Netherlands, August 24-29, 1997: Invited Speaker: Revisiting abattoir principles in a transforming South Africa: a meat hygiene dilemma? In the session: Food Hygiene in Developing Countries.
- 1997 The South African Institute of Environmental Health International Conference on Health and Environment in Africa, CSIR Conference Centre, Pretoria, South Africa 8-11 September 1997: Invited Speaker: Necessity for and Applications of Veterinary Public Health
- 2001 WHO Consultation on Pre-Harvest Food Safety: with the participation of the Food and Agriculture Organization of the United Nations, and the *Office International des Epizooties*, Federal Institute for Health Protection of Consumers and Veterinary Medicine, BgVV, Berlin , Germany, 26-28 March, 2001: Invited Speaker: Pre-harvest Food Safety: Challenges and Opportunities: relevance of pre-harvest programmes in countries with extensive animal husbandry
- 2004 World Meat Hygiene and Inspection Congress: Cambridge, England, 5-8 July 2004: Invited speaker: Current Meat-borne Hazards World-wide: A South African Perspective.
- 2006 International Association of Food Protection (IAFP) Congress: Calgary, Alberta, Canada: 10 – 19 August 2006: Invited Session Chairperson Technical Session: Applied Laboratory Methods Meat and Poultry.

**FACULTY DAY:** Faculty of Veterinary Science

- 1990 Principal Author - prize winning presentation in the research category: The Meat Hygiene Significance of Delayed Evisceration on Goose Carcasses  
Presenter and co-author: Arthritis in Slaughter Pigs
- 1992 Presenter and co-author: A Post Slaughter Investigation into the Tail Biting Syndrome in Pig Carcasses from Selected Problem Herds
- 1994 Co-author: Aerobic bacterial population of chicken carcasses at selected critical control points in a processing plant. Chasa in Action - Third International Conference and Exhibition, Gallagher Estate, Midrand, 31 July-4 August 1994.
- 1996 Presenter and co-author: **POSTER:** Microbiological status of selected chicken carcasses from a non-automated poultry processing plant
- 2001 Presenter: Pre-harvest Food Safety: Challenges and Opportunities: relevance of pre-harvest programmes in countries with extensive animal husbandry. Review of a paper presented at WHO Consultation on Pre-Harvest Food Safety, Berlin , Germany, 26-28 March, 2001

**COMMITTEE INVOLVEMENT:** Faculty of Veterinary Science

- 1987-1989 Prizes and Bursaries Committee: Convenor

1988-1993 Faculty Day Poster Judging Committee: Member  
 1994-1995 Faculty Day Poster Presentation: Convenor  
 1996-1999 Faculty Day Poster Judging Committee: Convenor  
 1995-1999 Ethics Committee: Chairperson  
 1996-1999 Management Committee: OVARU: Member

## **INVOLVEMENT IN THE SOUTH AFRICAN VETERINARY ASSOCIATION**

1964 Became member of the SAVA  
 1968-69 Secretary of the Natal Clinical Group  
 1970-74 Secretary of the Natal Branch of the SAVA  
 1974-76 Vice-Chairman Natal Branch  
 1976-78 Chairman Natal Branch  
 1978-79 Ipso Facto Committee member Natal Branch  
 1979-80 Vice-Chairman Natal Branch  
 1980-81 Committee member Natal Branch  
 1981-date Member Pretoria Branch (previously Northern Transvaal Branch)  
 1982-86 Member Witwatersrand Branch  
 1982 Elected Honorary life member of Natal Branch  
 1970-1978 Natal Branch Representative on the Federal Council of the SAVA  
 1978-1982 Nationally elected member of the Federal Council  
 1982-1984 Vice-President of SAVA  
 1984-1986 President of SAVA  
 1986-1987 Immediate Past President  
 1986 Elected Honorary Member of the Witwatersrand Branch  
 1986-1992 Chairman of the Public Health Group of the SAVA  
 1992-2003 Additional member Public Health Group of the SAVA  
 1990-1993 Chairman of the Education Committee of the SAVA  
 1994 Chairman of the Constitution Committee of the SAVA  
 1987 Awarded Boswell award SAVA for dedicated service  
 1988 Elected Honorary Life Vice-President of SAVA  
 1990 Awarded the Silver Medal of the SAVA for outstanding service to and advancement of the veterinary profession in South Africa  
 1992 Awarded the Natal Branch citation in recognition of the outstanding contribution to the veterinary profession and to the Natal Branch in particular

## **SAVA COMMITTEE INVOLVEMENT**

1986-1989 Finance Committee: Chairman  
 1982-1989 Executive Committee: Member  
 1986-1989 Editorial Committee: Member  
 1986-1989 Awards Committee: Member  
 1982-1989 Education Committee: Member  
 1982-1984 Advisory Committee on Ethical matters: Member  
 1989-1993 Education Committee: Chairman  
 1989-1996 Constitution Committee: Member (1994-1995 as chairman)

1974-1996      Trustee of the SA Veterinary Foundation - having served as Vice-Chairman  
2005-date

## INVOLVEMENT OUTSIDE THE SAVA

1982-1985      Senior Lecturer Practical, Veterinary Public Health Department (Part-time),  
University of Pretoria

1970-1973      Member of the Whirling Wheels Paraplegic Club  
(President for 1972-73) and involved with the paraplegic sports on an annual basis

1971-72        Member of the La Lucia Town Board  
Member of the La Lucia Licencing Board  
Member of the Finance Committee

1972-73        Member of the Board nominated by the Administrator of Natal as an interim  
management of the newly amalgamated township Umhlanga (La Lucia and  
Umhlanga Rocks)

1973-1981      Board member of the Umhlanga Town Council serving on:  
\*        The Works Committee - last three years as Chairman  
\*        The Finance Committee  
\*        The Staff Advisory and Disciplinary Committee (Chairman)  
\*        As the Liaison Councillor with the Umhlanga Rate Payers' Association

1980            Honoured by the Umhlanga Rotary Club for services rendered to the community

1985-1992      Member: Committee of Investigation into condemnations. Directorate of  
Veterinary Services, Dept of Agricultural Economics and Marketing

1987-1994      Faculty of Veterinary Science, Onderstepoort, representative on the Abattoir  
Training Control Committee: a Ministerial appointment
