Figure 1	Kay Cowley. <i>Desert Rain</i> . Kinetic mobile installation and performance. 2m x 3m. 27 March 2013, 18h00. National Art Gallery of Namibia (Land Matters in Art 2013:16).	3
Figure 2	Kay Cowley. <i>Desert Rain</i> . Kinetic mobile installation and performance. 2m x 3m. 27 March 2013, 18h00. National Art Gallery of Namibia (Land Matters in Art 2013:16).	4
Figure 3	Sand key for <i>Desert Rain</i> : indicating the different types of sand found in Namibia (Land Matters in Art 2013: 16).	5
Figure 4	Codex Ephraemi Rescriptus (The S.S. Teacher’s Edition – the Holy Bible – Plate XXIV).	18
Figure 5	Dead Sea Scrolls. Commentary on Habakkuk Scroll. (Google Art Project 2021).	20
Figure 6	<i>The Maya. The Madrid Codex</i> (left) and a reproduction in Copan, Honduras (right) (Wikimedia Commons 2021).	20
Figure 7	Rutherford Witthus. <i>Skip for Joy</i> . 11.25 x 20. 2005 (Art & Books Journal website 2016).	21
Figure 8	Artists’ Books (Jack Ginsberg Collection Booknesses 2017).	22
Figure 9	Cy Twombly. <i>Fifty days at Iliam</i> . 1978. Oil, oil crayon and graphite on canvas. (Collections of the Philadelphia Museum of Art) (Wikimedia Commons 2021).	26
Figure 10	Cy Twombly. <i>Untitled</i> . 1957. (Berardo Collection, Centro Cultural de Belem, Lisbon, Portugal) (Wikimedia Commons 2021).	27
Figure 11	Marcus Bowcott (Palimpsest 2007), Left.	30
Figure 12	Exhibition (Marcus Bowcott 2007), Right.	30
Figure 13	William Kentridge, <i>Cambio</i> , 1999. Lithograph (Tate website: Art and Artists).	31
Figure 14	Gallery view of installation (Anne Hamilton 1989), Left.	32

Figure 15	Anne Hamilton. <i>Palimpsest Experiments</i> . Installation, 1966 (Hirshhorn Museum and Sculpture Garden Collection, American Contemporary), Right.	32
Figure 16	Kay Cowley. <i>Desert Dragon</i> (Found rusted wire and Kalahari sand, 1994).	37
Figure 17	Flyer for the opening of <i>Dancing with the Desert Dragon</i> (1996).	37
Figure 18	Loes Moddermann's microscopic photograph of grains of sand (Voice of America 14 April 2010).	41
Figure 19	Relative suitability of crop cultivation in Namibia (University of Cologne 2003).	42
Figure 20	Termite Hill, C22, Namibia, Africa (Photograph by author 2015).	44
Figure 21	Sand Rose (Photograph by author 2020).	44
Figure 22	Nikolaus Lang. <i>Ochre and Sand: Dedicated to the Vanished Tribes of the Flinders Ranges and Adelaide Area</i> , 1987. Ochre and Sand on fine white art paper. 6 x 600 x 504 cm. (Nikolaus Lang 2015).	59
Figure 23	Nikolaus Lang, <i>Erde Abdruck</i> [s.a.]. Mixed media, sand and ochre (Nikolaus Lang Google Images 2015).	60
Figure 24	Motoi Yamamoto. <i>Floating Garden</i> . Salt. 2012.	60
Figure 25	Motoi Yamamoto. <i>Floating Garden</i> . Salt. 2012 (Motoi Yamamoto Google Images 2016).	60
Figure 26	Motoi Yamamoto. <i>Labyrinth</i> . Salt. Solo Exhibition: Salz / Kunst-Station St. Peter Cologne, Germany. April – June, 2010 (Motoi Yamamoto Google Images 2016).	61
Figure 27	Annalei Ketterer. <i>Decrustate</i> (Soil, 5 x 5m). Berlin Festival (Decrustate website 2015).	62
Figure 28	Jane Alexander. <i>African Adventure</i> , 1999–2002 (Tate Photography 2016).	63
Figure 29	Andy Goldsworthy. <i>River of Earth</i> . Land Art, 2009 (Andrew Goldsworthy 2015).	64
Figure 30	View of the Waterberg from the NWR rest camp. January 2019 (photograph by the author).	69
Figure 31	Waterberg Plateau Park soil samples, October 2015 (photograph by author).	71

Figure 32	Termite hill C22 route (left).	72
Figure 33	Close-up of texture of termite hill sand (right) (Photograph by author, 2015).	72
Figure 34	Graveyard of German soldiers killed in the Herero Genocide (Photograph by author 2016).	72
Figure 35	Mission Station ruins, indicating the red sundried and grey wood fired bricks (Photograph by author 2018).	73
Figure 36	The mountain stream (Photograph by author 2018).	73
Figure 37	<i>The Book of the Waterberg</i> . Pages on the then police station, today Restaurant (Photograph by the author 2020).	74
Figure 38	Old orange and apple orchard irrigation channels (Photograph by author 2017).	75
Figure 39	Fossilised red sandstone chimneys at the top of the mountain (Photograph by author 2018).	76
Figure 40	The older (pink, bleached) and younger (red) types of sandstone found on the top of the mountain (Photograph by author 2018).	77
Figure 41	Waterberg Sand Sites. Artist's <i>Book of the Waterberg</i> (Photograph by author 2017).	78
Figure 42	The layers of the Waterberg. Frontal view of the escarpment (Artist's Notebook, 2015). (Transparency layer).	79
Figure 43	NWR Map of the Waterberg sites and trails (Camp handout). (Transparency layer).	80
Figure 44	H. Meyer. <i>Skizze von Otjozondjupa (Waterberg 1905)</i> . (Transparency layer).	81
Figure 45	Artist's scroll of the geological sand map of the Waterberg (Photograph by author 2016). (Transparency Layer).	82
Figure 46	Grunert, N. <i>The emergence of springs along the Waterberg on a model of a contact spring</i> .	87
Figure 47	<i>Omitandu 1</i> . Transparency 1.	89
Figure 48	<i>Omitandu 2</i> . Transparency 2.	90
Figure 49	Praise poem 1. Transparency 3.	91

Figure 50	Praise poem 2. Transparency 4.	92
Figure 51	Report on rules and records as to how the indigenous people were treated in 1918. (Transparency layer).	102
Figure 52	The red book, was the blue book. (Transparency layer).	103
Figure 53	Ministry of Education, Arts and Culture Poster at the Namibian Archives. (Transparency layer).	104
Figure 54	William Kentridge. <i>Black Box / Chambre Noire</i>, 2005. Mixed-media installation with video (22 minutes) (Guggenheim website 2019).	109
Figure 55	Tuaovisia Katuua. <i>Otjitoro Otjindjandja</i>. Mixed media, 2016 (Collection of the National Art Gallery, Namibia).	110
Figure 56	Page from artist's notebook.	114
Figure 57	The front of <i>The Book of the Waterberg</i> (Photographs by the author 2015-2020) (left).	115
Figure 58	The back cover of <i>The Book of the Waterberg</i> (Photographs by the author 2015-2020) (right).	115
Figure 59	Construction and Deconstruction. The working process of my artist's workbook (Photograph by author 2015).	116
Figure 60	Front cover insert created with materials from the top of the mountain. Mountain top sand, bones, seedpods. Artist's <i>Book of the Waterberg</i> (Photograph by author 2015).	117
Figure 61	Sand Key – selected sand sites in the Waterberg. Artist's <i>Book of the Waterberg</i> (Photograph by author 2015).	117
Figure 62	Right hand page of the sand key indicating sand sites. Artist's <i>Book of the Waterberg</i> (Photograph by author 2015).	118
Figure 63	Left hand page of the sand key indicating sand sites. Artist's <i>Book of the Waterberg</i> (Photograph by author 2015).	119
Figure 64	The Battle of the Waterberg. Collage. Artist's <i>Book of the Waterberg</i> (Photograph by author 2015).	120
Figure 65	Left – The Genocide Monster. Collage. Right – Woman and Child Victims. Rust and copper wire. Artist's <i>Book of the Waterberg</i> (Photograph by author 2015).	121
Figure 66	New Africa. Collage and red sand from the top of the Waterberg. Artist's <i>Book of the Waterberg</i> (Photograph by author 2015).	122

Figure 67	The Story of the Omumborombongo Tree. Sand, bark, leaves and seedpods from the campsite. Artist's <i>Book of the Waterberg</i> (Photograph by author 2015).	123
Figure 68	Texture rubbing with red sand from the sandstone. Charcoal and sand. Artist's <i>Book of the Waterberg</i> (Photograph by author 2015).	124
Figure 69	The Mountain stream (prior to inscription). Snakeskin, leather and bamboo. Artist's <i>Book of the Waterberg</i> (Photograph by author 2015).	125
Figure 70	Thumbnails 1-8 showing process of transcribing image to book (Photograph by author 2015).	127
Figure 71	Waterberg Palimpsests 1. Front lighting (left) (Photograph by author 2015).	128
Figure 72	Waterberg Palimpsests 1. Backlighting (right) (Photograph by author 2015).	128
Figure 73	The close-up photograph of Figure 69 (Photograph by author 2015).	129
Figure 74	Excerpt from artist's diary on the layers of the Waterberg (left) (Photograph by author 2015).	130
Figure 75	Back-lighting on Waterberg palimpsest 2 (right) (Photograph by author 2015).	130
Figure 76	Palimpsest indicating the structure and geological layers of the Waterberg (Photograph by author 2015).	130
Figure 77	"Independence 2019", in process (Photograph by the author 2019).	132
Figure 78	Kay Cowley, "Independence 2019". Installation. Arts Association Heritage Trust (Photograph by the author 2019).	133
Figure 79	Sand key for installation (left) (Photograph by artist 2020).	136
Figure 80	Final sand key scroll. Sand and hessian (right) (Photograph by artist 2020).	136
Figure 81	Hessian dolls for armatures of the sand people (Photograph by artist 2020).	137
Figure 82	Red sand mountain top (left) (Photograph by artist 2020).	138
Figure 83	Pink sandstone mountain top (right) (Photograph by artist 2020).	138

Figure 84	Mountain stream sand (Photograph by artist 2020).	138
Figure 85	Dried sand people. From left to right: mountain stream sand, pink sandstone, red sandstone (Photograph by author 2020).	139
Figure 86	The sand people viewed from the back of the screen, accidentally creating an illumination (Photograph by author 2020).	140
Figure 87	The final row of sand people – C22 road and termite hill sand - hanging to dry. In the background individual groups of sand people ready for packing (Photograph by author 2020).	141
Figure 88	Thumbnail image showing process of setting up installation.	142
Figure 89	Thumbnail image showing process of setting up installation.	142
Figure 90	Thumbnail image showing process of setting up installation.	142
Figure 91	Thumbnail image showing process of setting up installation.	142
Figure 92	Thumbnail image showing process of setting up installation.	142
Figure 93	Thumbnail image showing process of setting up installation.	142
Figure 94	<i>Ehi</i> Installation. Front View. Sand people suspending on fishing line from mesh (Photograph by author 2020).	143
Figure 95	<i>Ehi</i> Installation. View from the right. Sand people suspending on fishing line from mesh (Photograph by author 2020).	144
Figure 96	<i>Ehi</i> Installation. View from the left. Sand people suspending on fishing line from mesh (Photograph by author 2020).	144
Figure 97	<i>Ehi</i> Installation. View from the back. Sand people suspending on fishing line from mesh (Photograph by author 2020)	145
Figure 98	<i>Ehi</i> Installation. Close up. Sand people suspending on fishing line from mesh (Photograph by author 2020).	145
Figure 99	<i>Ehi</i> Installation at The Project Room (Photograph by author, 6-10 July 2020).	146
