

Dr Oberem to Coopers

Dr Peter T Oberem

The appointment of Dr Peter T Oberem as Manager, Veterinary Technical Services for Coopers Animal Health (Pty)Limited, has been confirmed by the Managing Director, Dr Pat Pullinger.

The appointment will take effect from 1 February 1990. Dr Oberem will report to Dr Bill Jones-Davies until 31 March 1990 and thereafter directly to the Chief Executive.

Dr Oberem has had wide experience as a State Veterinarian and as Research Veterinarian and is currently an Assistant Director at the Veterinary Research Institute at Onderstepoort. He holds two degrees, namely BSc and BVSc and is well advanced with an M Med Vet (Paras) degree.

Dr Oberem's wife Pamela is also an experienced veterinarian and is involved on behalf of the VRI in the development of biologicals (vaccines) using Coopers Animal Health Limited expertise.
