

CONSULAAT DER NEDERLANDEN.

No.

KAAPSTAD, May 5, 1937.

POSTBUS 346.

Dear Mr. Cleland,

The gentleman whom I mentioned to you the other day is Jonkheer C.L.C. Kretschmar van Veen, civil engineer in the service of one of the important contracting firms in the Netherlands.

He travels home on the same boat as you and he is a very sociable fellow.

I take this opportunity to wish you a pleasant trip.

Yours sincerely
