

## APPENDIX 1: SAPECS EVENTS TO DATE

Table A1. Dates, event details, location, and number of participants for different SAPECS events. Student-focused events are highlighted in light grey, and open events aimed at both established researchers and students are highlighted in dark grey. Working groups meetings (shown in white) were only for SAPECS members and newly invited members, and focused on providing space for all current working groups to meet.

Date	Event Details	Location	Approx no of participants	Length
Feb 2012	Student colloquium: <i>Frontiers of Ecosystem Service Science</i>	STIAS, Stellenbosch	50	1 day
Feb 2012	Scoping workshop	SI, Stellenbosch	35	3 days
Oct 2012	Working group meeting (in conjunction with <i>Complexity Forum</i> )	SI, Stellenbosch	20	2 days
Apr 2013	SAPECS colloquium: <i>Frontiers in Social-Ecological Research</i>	Kirstenbosch, Cape Town	100	2 days
Apr 2013	Working group meeting (in conjunction with SAPECS colloquium)	CSIR, Cape Town	25	1 day
Jan 2014	Working group meeting	ELRC, Grahamstown	30	4 days
Jun 2014	Winter school: <i>Ecosystems &amp; Society</i>	Saasveld, George	35	4 days
Nov 2014	Open Science Dialogue: <i>Seeds of the Good Anthropocene: A Southern African Perspective</i>	STIAS, Stellenbosch	65	2 days
May 2015	Working group meeting	Monkey Valley, Cape Town	25	3 days
Nov 2015	Summer school: <i>Participatory Action Research in Social-Ecological Systems: Principles and Practice when Working with Communities</i>	STIAS, Stellenbosch	30	1.5 days
Nov 2015	PECS Conference: <i>Social-ecological dynamics in the Anthropocene</i>	Spier, Stellenbosch	240	3 days
Aug 2016	Scoping Dialogue: <i>Advancing resilience thinking and practice to support sustainable transformations in southern Africa</i>	STIAS & SI, Stellenbosch	35	2 days

May 2017	Colloquium: <i>Resilience for Development</i>	Sunnyside Park Hotel, Johannesburg	150	3 days
Aug 2018	Working group meeting	Fynbos Estate, Malmesbury	25	3 days
Jul 2019	SAPECS Winter School: Social-Ecological Systems	Stellenbosch	30	5 days
Sept 2019	Garden Route Interface and Networking (GRIN) Meeting: <i>Science and management co-learning to navigate social-ecological issues</i> (co-hosted by SAPECS)	Pine Lake Marina, Sedgefield	70	3 days
Sept 2019	GRIN early-career researchers workshop: <i>social-ecological systems research</i>	Pine Lake Marina, Sedgefield	20	0.5 days
Apr 2022	Southern African Resilience Academy (co-hosted by SAPECS)	Devon Valley Hotel, Stellenbosch	45	3 days
Oct 2022	4 <sup>th</sup> Garden Route Interface and Networking (GRIN) Meeting (co-hosted by SAPECS)	Pine Lake Marina, Sedgefield	75	3 days
Oct 2022	GRIN Post-meeting early-career researchers Spring School: <i>Social-ecological research methods</i>	Pine Lake Marina, Sedgefield	20	0.5 days
Oct 2022	Southern African Resilience Academy (co-hosted by SAPECS)	Devon Valley Hotel, Stellenbosch	40	3 days
Oct 2022	Reconnecting Working Group meeting (in conjunction with Southern African Resilience Academy workshop)	Devon Valley Hotel, Stellenbosch	25	2 days

STIAS – Stellenbosch Institute for Advanced Studies

SI – Sustainability Institute

CSIR – Council for Scientific and Industrial Research

ELRC – Environmental Learning Research Centre
