Dear Mr. Cleland.

Thank you so much for your  
letter, I am so hoping to see you  
before I leave London on Wednesday.  
Wonder if you could lunch here  
on Monday or Tuesday, that would  
be a great pleasure? You will know  
that if Mr. Cleland is back again  
how delighted we should be to  
see her also -

I am so glad the baby is doing  
so well, I wish I could have seen  
him, but alas, we live so far  
out!

Levent will be at 1.30, I am  
enclosing one of our little maps.

Yrs. Truly sincerely,

Terence Clarenda.

I hear all the avenue of trees to  
Port. Sta. Pedovia has been cut down!
