C.D. 206. Your S. 82. Francis manager Union Castle  
has fixed me up single berth first class cabin  
no. 142 C. deck x If Gove has fixed up some  
other cabin would rather have 142 which has been  
allotted to me x They suggest that as Goves gets no commission  
on government bookings better to arrange direct with their  
Cape land.
