(A) DEMOGRAPHIC DATA

1. *

Gender

Mark only one oval.

Male

Female

2. Level of education *

Mark only one oval.

Primary

Secondary

Tertiary

None

3. Age range *

Mark only one oval.

18-30

31-40

41-50

51-60

61-70

4. State of residence *

Mark only one oval.

Kwara

Borno

Sokoto

Ogun

Enugu

Abia

5. Location(Local government area of residence) *

Mark only one oval.

- Ilorin South
- Moro
- Odeda
- Nsukka
- Wammakko
- Maiduguri
- Biu
- Udi agwu
- Yewa South
- Kware
- Umuahia South
- Umuahia North

(B) Knowledge of pandemics among Nigerians

6. A pandemic is a disease outbreak that spreads within Nigeria, throughout Africa and the rest of the world causing deaths among high population of people. *

Mark only one oval.

- Yes
- No

7. Which of these are some of the pandemics that you have heard of in the past and could cause future pandemics? (Tick all that apply) *

Mark only one oval per row.

	Yes	No
Spanish flu	<input type="radio"/>	<input type="radio"/>
HIV/AIDS	<input type="radio"/>	<input type="radio"/>
Ebola viral disease	<input type="radio"/>	<input type="radio"/>
SARS including COVID-19	<input type="radio"/>	<input type="radio"/>
Monkey pox infection	<input type="radio"/>	<input type="radio"/>
Lassa fever	<input type="radio"/>	<input type="radio"/>
Zika viral disease	<input type="radio"/>	<input type="radio"/>
Avian influenza	<input type="radio"/>	<input type="radio"/>
Antimicrobial resistance	<input type="radio"/>	<input type="radio"/>
Tuberculosis	<input type="radio"/>	<input type="radio"/>

8. Are you aware of the basic preventive measures to reduce the spread of infectious diseases, such as hand hygiene and wearing masks? *

Mark only one oval.

Yes

No

9. Which of these are some of the actions to be taken during pandemics? (Tick all that apply) *

Mark only one oval per row.

	Yes	No
Social distancing	<input type="radio"/>	<input type="radio"/>
Individual and personal hygiene	<input type="radio"/>	<input type="radio"/>
Risk communication	<input type="radio"/>	<input type="radio"/>
Controlled international travels and trade	<input type="radio"/>	<input type="radio"/>
Lock down policy	<input type="radio"/>	<input type="radio"/>
Use of vaccines and antivirals	<input type="radio"/>	<input type="radio"/>

10. Are you familiar with the signs and symptoms of common infectious diseases? *

Mark only one oval.

Yes

No

11. The following are reliable organizations of information on infectious diseases and pandemics (Tick all that apply) *

Mark only one oval per row.

	Yes	No
Nigerian Centre for Disease Control and Prevention (NCDC)	<input type="radio"/>	<input type="radio"/>
Federal Ministry of Health	<input type="radio"/>	<input type="radio"/>
African CDC	<input type="radio"/>	<input type="radio"/>
World Health Organization (WHO)	<input type="radio"/>	<input type="radio"/>
Centres for Disease Control and Prevention (CDC)	<input type="radio"/>	<input type="radio"/>
Presidential Task Force Committee	<input type="radio"/>	<input type="radio"/>

(C) Perception of respondents on the occurrence of future pandemics

12. 1. I believe that Nigeria is adequately prepared to handle a future pandemic. *

Mark only one oval.

- Strongly disagree
- Disagree
- Neutral
- Agree
- Strongly agree
