

EXPLAINING ALTERATIONS TO SENATORS

A GROUP OF SENATORS caught by a Cape Times photographer yesterday while Mr. J. S. Cleland, Secretary for Public Works, was explaining how he proposes to alter the grounds of the Houses of Parliament. Mr. Cleland is on the extreme right of the picture, with hand pointing and holding plans.

Nearest the camera (on the left) is Senator C. P. Mathewson, with next to him Senators W. E. Thrash and M. J. Vermeulen. Just visible behind Senator Vermeulen is Senator S. S. Brisker; next to him is Senator C. F. H. Meintjies, then Senator W. J. C. Brebner, Mr. F. C. Sturrock (Acting Minister of Public Works), Senator J. D. F. Briggs (with pipe), Senator F. C. Thompson and Senator B. D. Pienaar. In the background are Senators Smit, Potgieter, Visser, D. J. J. Malan and Oosthuizen.
