Dear Dr/Prof/Mr Szabo

The University of Pretoria is in the process of setting up a digital repository of locally produced knowledge products of which published research articles form an important part (<https://www.up.ac.za/dspace/>). I am the information specialist for prof Jonathan Jansen (Dean of the faculty Education at the University of Pretoria) and am in the process of developing a collection of all his scholarly research and articles on our institutional repository UPspace: <https://www.up.ac.za/dspace/handle/2263/108>

An article of his was published in your journal **South African Psychiatry Review**. Accordingly I would like to add articles published by your journal to this repository, but was unable to find any policy statement in this regard on the Sherpa web site <http://www.sherpa.ac.uk/index.html> or on your website [http://www.ajol.info/journal\\_index.php?jid=198&tran=0&ab=0](http://www.ajol.info/journal_index.php?jid=198&tran=0&ab=0)

I will appreciate it if you could please consider giving your consent by completing the following attached form. You are welcome to complete, save and return it via e-mail or fax. Full credit will be given to the journal and the journal's URL will be added to the citation.

I will be looking forward to your response. Thank you in advance.

Regards  
 Elsabé
