Spherical void formers in concrete slabs
C C Marais, J M Robberts, B W J van Rensburg

ERRATA
An error appeared in Figure 11 on page 10.
The correct figure looks as follows:

![Graph showing cost comparison of SVF, coffer and post-tensioned slabs in South Africa for a distributed 2.5 kPa additional dead load and 2.5 kPa live load.](image)

Figure 11 Cost comparison of SVF, coffer and post-tensioned slabs in South Africa for a distributed 2.5 kPa additional dead load and 2.5 kPa live load.
