Die Visekanselier en Rektor van die Universiteit van Pretoria

Prof Cheryl de la Rey

nooi u hiermee vriendelik uit na die agtste lesing in die

UP-EKSPERTLESINGREEKS

"(PRAKTIESE) TEOLOGIE: 'N VERHAAL VAN TWYFEL EN VERBEELDING"

aangebied deur Prof Julian Müller

Teologie as 'n verhaal van twyfel en verbeelding moet in teenstelling met die tradisionele benadering tot teologie as 'n stelsel van proposisionele sekerhede verstaan word. Twyfel en verbeelding is 'n onafskeidbare deel van Narratiewe Teologie, soos dit ontwikkel binne 'n Post-Fundamentele teologiese paradigma.

Die relevansie van hierdie teologiese paradigma sal bespreek word, as 'n teologie wat

- erkenning gee aan eie twyfel
- waardering het vir die eie verhaal (tradisie)
- interaktief, op 'n interdisiplinêre basis, betrokke is by 'n netwerk van verhale – verhale van hoop en wanhoop, van lyding, van mag en van marginalisering
- verbeeldingryk met alternatiewe verhale na vore kan kom

Hierdie lesing sal die paradigma van prof Müller se voortgesette navorsingsprogram ondersoek, as deel van die Departement Praktiese Teologie, wat 'n verskeidenheid navorsingsprojekte huisves.

Die UP-EKSPERTLESINGREEKS bied 'n openbare platform vir navorsers van die Universiteit van Pretoria om met 'n algemene gehoor te kan praat oor beduidende ontwikkelings wat waarskynlik in die toekoms 'n invloed op hul vakgebied sal hê.

Ons nooi u uit om aan UP se REEKS uurlange EKSPERTLESINGS deel te neem en deur die Universiteit se navorsingsuitset verryk te word.

The Vice-Chancellor and Principal of the University of Pretoria

Prof Cheryl de la Rey

cordially invites you to attend the eighth lecture in the

UP EXPERT LECTURE SERIES

"(PRACTICAL) THEOLOGY: A STORY OF DOUBT AND IMAGINATION"

presented by Prof Julian Müller

Theology as a story of doubt and imagination is to be understood in contrast to the traditional paradigm of theology as a system of propositional certainty. The construct of doubt and imagination is part and parcel of Narrative Theology and can be linked to Post-Foundational Theology.

The relevance of this theological paradigm will be discussed, as a theology which

- is in touch with its own doubt
- is in touch with its own story (tradition)
- can therefore interact with other stories (on a interdisciplinary level) – stories of hope and despair, stories of suffering, stories of power and of marginalisation
- can also imagine alternative stories

The UP EXPERT LECTURE SERIES provides a public platform for researchers of the University of Pretoria to engage with a general audience on significant developments in their fields of expertise that are likely to have an impact in the future.

We invite you to participate in UP's SERIES of hour-long EXPERT LECTURES and be enriched by the University's research output.
