HOUSING: A GREEN PROPRIETOR IN MARABASTAD.

An investigation into the connection between housing and open green space in the urban environment.

Submitted by: Jozanne Spies Student number: 98028996 Mentor: Clinton Hindes University of Pretoria November 2006

Submitted as part of the requirements for the degree of Magister in Architecture(professional)

MArch(prof)

in the Faculty of Engineering, Built Enviroment and Information technology
