- 1.1 To determine the environment within which educational managers have to function;
- 1.2 To establish the educational manager's readiness to effect change and that necessary for schools;
- 1.3 To encourage the educational manager to redirect focus on building relationships among all participants in the institution;
- 1.4 To enhance the professional levels of educational managers and encourage teamwork and individual development within the organisation.

2. PARTICIPATION IN THE PROJECT

Your participation in this research project is essential in realising its aims. Your answer in replying to this questionnaire yourself will assist in determining the extent of the transformation in the management of our schools.

3. CONFIDENTIALITY

The information you provide will be treated with the strictest confidentiality. Your name and the name of your school will not appear in the questionnaire.
