ADDENDUM 1

Questionnaire

The following questionnaire is designed to obtain your perceptions as volunteers for CANSA. There is no “trick” questions. Your individual answers will be kept completely confidential. Only the researcher will have access to your answers.

This questionnaire asks you about your biographic details, voluntary work, roles, rewards and recognition as a volunteer, and guidelines on volunteering. The information gathered from this survey will be used to design a program on how to retain volunteers and develop guidelines for volunteering.

Thank You for your Cooperation.
