Satisfied ?

I have just received an advance copy of the Fuehrer's speech which he is to deliver in London next autumn. This extract is the most significant :-

"My Volksgenossen, England and Ireland having also been placed under German protection, Mr. Roosevelt having offered me America as a colony, Hermann Goering having become Tsar of all the Russias and Joseph Goebbels having become elected Pope. I have no further territorial claims to make.

KING HITLER'S English Broadcast.

This ist der Londonsender from der B.B.C.
Funkhaus. You are about to hear der King Emperor,
Hiss Majesty King Adolf der first (rustling
of papers and guttural coughs).

"Mein Englisch it may not quite be B.B.C.,
But dat not do matter a pfennig to me.
I am Adolf der First,
Und I den't care a jot,
If my accent's der worst,
It's King's Englisch-so vot ?

I schpeak to you all, as der Fuehrer und King.
Vot yey und vot blessings to Britain I bring!
Der Dachsund fergives
All der crimes of der war,
Und der Bulldog receives
A good shake of der paw!

Ein Blitz Coronation in hand I have put,
Mit sceptre und crown vot a figure I'll cut.
Und mit Munich in mind,
In case anything drops-
There 'll be Himler behind
Mit a few of his cops!

Und so down der Strand to der Bank I vill ride,
Mit Goering, Gott bless him, pressed close to my side,
We vill pinch all der gold
Und der staff we vill shoot,
Und return to der fold
Mit der vaggens of loot.

Mein Gauleiters Churchill und Eden und Hoare,
Vill be purged if there's any more talk about war.
Der great Treaty is signed,
Und to end der distress-
Im am leaving behind
Little Goebbels und Hess.

So all mein Dominions over der seas,
Und England und Scotland, go down on your knees.
Be content mit your lot,
For der die is cast,
Thank der Fuehrer und Gott,
YOU ARE NAZIS AT LAST.

Ve vil now sing Rule Germania, Germania rules der slaves.

DER END OF DER BROADCAST.
