Chemical engineering: challenges

• Only one researcher had a profile
• Departmental staff spread across two campuses
• How best to pitch the idea?
Planning

• Google Scholar profiles presentation
• Meeting with Sunette Steynberg
• HOD / Departmental meeting
Trial and error

• Easiest to use and familiar to most
Trial and error (cont.)

Errors:
• Profiles were not made public.

Trials:
• D.I.Y (Do It Yourself)
• D.I.M (Do It Myself)
• D.I.T (Do It Together)
