

**SUBJECT INDEX.**  
**Volume 12, Nos. 1 and 2.**

---

**Alkaloids.**

- The Senecio Alkaloids I. The isolation of isatidine from *Senecio retrorsus*  
and *Senecio isatideus* ... .. 155

**Anthrax.**

- The preparation of anthrax spore vaccines (for cattle and sheep) in South  
Africa ... .. 9
- The use of saponin spore vaccine for inoculation against anthrax in South  
Africa ... .. 279

**Beef.**

- Factors affecting quality in mutton and beef, with special reference to the  
proportion of muscle, fat and bone ... .. 379

**Bone.**

- Factors affecting quality in mutton and beef, with special reference to the  
proportions of muscle, fat and bone ... .. 379

**Bunostomum trigonocephalum.**

- Observations on the life history of *Bunostomum trigonocephalum*, a hookworm  
of sheep and goats ... .. 305

	PAGE
<b>Calcification.</b>	
The effect of intermittent starvation on calcification, food utilization and tissue composition .....	321
<b>Cystine.</b>	
The effect of supplementing lucerne with cystine and methionine on the growth of rats .....	369
<b>Fat.</b>	
Factors affecting quality in mutton and beef, with special reference to the proportions of muscle, fat and bone .....	379
<b>Food Utilization.</b>	
The effect of intermittent starvation on calcification, food utilization and tissue composition .....	321
<b>Gestation.</b>	
Observations on the gestation period of Ronderib Afrikaner sheep .....	251
<b>Helminths.</b>	
Some helminths of South African lizards .....	21
South African helminths VI. Some helminths chiefly from rodents .....	75
<b>Hookworm.</b>	
Observations on the life history of <i>Bunostomum trigonocephalum</i> , a hookworm of sheep and goats .....	305
<b>Isatidine.</b>	
The Senecio Alkaloids I. The isolation of isatidine from <i>Senecio retrorsus</i> and <i>Senecio isatideus</i> .....	155
<b>Lizards.</b>	
Some helminths of South African lizards .....	21
<b>Mallophaga.</b>	
Notes on Menoponidae (Mallophaga), with descriptions of new genera and species .....	121
<b>Menoponidae.</b>	
Notes on Menoponidae (Mallophaga), with descriptions of new genera and species .....	121
<b>Merino Fleece.</b>	
Methods for determining length in the merino fleece .....	261
<b>Methionine.</b>	
The effect of supplementing lucerne with cystine and methionine on the growth of rats .....	369
<b>Muscle.</b>	
Factors affecting quality in mutton and beef, with special reference to the proportions of muscle, fat and bone .....	379
<b>Mutton.</b>	
Factors affecting quality in mutton and beef, with special reference to the proportions of muscle, fat and bone .....	379

	PAGE
<b>Ovarian Cycle.</b>	
Researches into the sterility of cows in South Africa. The influence of (1) dry rations and (2) lack of exercise on sexual maturity and the duration of the ovarian cycle in beef heifers .....	233
<b>Poisonous Plants.</b>	
Recent investigations into the toxicity of known and unknown poisonous plants in the Union of South Africa .....	335
<b>Rodents.</b>	
South African helminths VI. Some helminths chiefly from rodents .....	75
<b>Ronderib-Afrikander Sheep.</b>	
Observations on the gestation period of Ronderib Afrikander sheep .....	251
<b>Senecio.</b>	
The Senecio Alkaloids I. The isolation of isatidine from <i>Senecio retrorsus</i> and <i>Senecio isatideus</i> .....	155
<b>Sexual Maturity.</b>	
Researches into the sterility of cows in South Africa. The influence of (1) dry rations and (2) lack of exercise on sexual maturity and the duration of the ovarian cycle in beef heifers .....	233
<b>Spore Vaccines.</b>	
The preparations of anthrax spore vaccines (for cattle and sheep) in South Africa .....	9
The use of saponin spore vaccine for inoculation against Anthrax in South Africa .....	279
<b>Starvation.</b>	
The effect of intermittent starvation on calcification, food utilization and tissue composition .....	321
<b>Sterility.</b>	
Researches into the sterility of cows in South Africa. The influence of (1) dry rations and (2) lack of exercise on sexual maturity and the duration of the ovarian cycle in beef heifers .....	233
<b>Tissue Composition.</b>	
The effect of intermittent starvation on calcification, food utilization and tissue composition .....	321
<b>Toxicity.</b>	
Recent investigations into the toxicity of known and unknown poisonous plants in the Union of South Africa .....	335
<b>Trichodectidae.</b>	
Further notes on species of Trichodectidae with descriptions of new species ...	103
<b>Urinary Calculi.</b>	
Water poisoning in man and animal, together with a discussion on urinary calculi .....	167
<b>Water Poisoning..</b>	
Water poisoning in man and animal, together with a discussion on urinary calculi .....	167
